Wolf Howl

Entertainment Editor, *Angela Carlton*

It's been a pretty wild four years here, even if I personally didn't do anything all that crazy. I mean, for everyone that's a Senior today, our Freshman and Sophomore years got messed up by the pandemic. But, we all powered through it, pulling ourselves through and reaching the heights we're at today.

I suppose this is goodbye, to all of you. It may be my final goodbye to most of you, or maybe you'll find me again some other fateful day. Who knows! But I want you all to remember: Be kind, but don't let people abuse your kindness. Especially employers, you don't owe them your time outside of work unless you're getting paid for it. Also go play Okami and Rainworld, they're really great games.

Staff Reporter, *Gabriella Miller*

Nearly two years ago, I transferred to Chandler High with an open mind and an eagerness to meet new people. My motivation to get involved with my community led me to join Native American Club, FIDM Fashion Club, and, of course, the Wolf Howl Newspaper. I discovered my passion for journalism after earning first-place in an annual Pulitzer writing contest in December 2021. Throughout my time in Newspaper, I have significantly improved my skills in writing, photography, and graphic design. Not only did I embrace my extracurriculars, but I also made plenty of lifelong friends. I am proud to say that I will be graduating high school with 28 college credits. A fortune cookie once told me, "You will travel far and wide and touch many people's hearts," which sums up my post-high school plan.

Seniors

Editor In Chief, *Madeline Moran*

After four years of hard work, I am truly sad to see this amazing school go. I have made so many memories on this campus and the experiences I've had are unforgettable. Thank you to the amazing administration and staff we have at this school, we all appreciate you. To those of you not graduating this year, I wish you the best of luck. Make the most of your time here because our parents were all right when they told us the time flies by faster than we could have imagined.

Now, a note to the Junior newspaper staff: I'm really going to miss all of you, and I hope to see you doing amazing things with your time here next year. Senior year is tough, but I know you are a determined and hard-working group who will (despite the crippling senioritis I'm sure you already feel as juniors), excel in all your endeavors. I know you all will do great things with the newspaper next year if you **WORK AS A TEAM**, and please remember the things that we've taught you. It's your turn now to be the leaders and guide the incoming staff, so it is crucial that you all respect one-another and can count on each other. You can always call or text me, even if I'm not here to make fun of you in person (I will happily do it over the phone;) I Love you guys, good luck and have fun. <3
