SIMONE KING - EDITOR IN CHIEF

Newspaper has been the most influential class in my four years at Chandler High School. Starting as a Reporter during my Freshman Year, this class helped me discover my passion for Journalism. Newspaper has provided many opportunities that allowed me to participate in three years of extracurricular Broadcast Journalism programs, branch into Public Service, and attend the School of New York Times. One of my favorite memories in this class was attending the 2019 JEA Convention in Anaheim and spending the day at Downtown Disney. One of my proudest accomplishments is serving as Editor-in-Chief and Opinions Editor. I will be attending Boston College on a fullride as a QuestBridge scholar where I will major in Communications and minor in Journalism.

GRIFFIN ECKSTEIN - NEWS EDITOR

Newspaper has been a transformative experience for me. Getting to cover CHS has been so fun, and hearing and writing about the diversity and talent on campus is inspiring. One of my favorite moments was covering the 2021 Unity Assembly with Simone and Imani, and earning a national award too. Outside of Newspaper, I am honored to have been able to be an officer in Speech and Debate, NHS, and Sustainability club, and to have had such amazing teachers. Special shoutout to Ms. Yap for being an amazing English teacher AND taking over Newspaper! I will be attending New York University to further my passion for journalism, double majoring in it and political science. Go Wolves, and stream Crash by Charli XCX!

ASIA CRUZ - SPORTS EDITOR

Newspaper has brought me all kinds of new opportunities to meet new people and gain real world experiences. Throughout my three years in newspaper I have met lifelong friends and made memories that will last forever. When I'm not in newspaper, I spend lots of my time painting and drawing, learning new languages, and posting on TikTok. During high school I have learned to just enjoy life, don't be so stuck on trying to impress anyone but yourself. I will be attending The University of Arizona in the fall and majoring in Architecture. I was design buildings that are sustainable and impact people around the world. Leaving Chandler High, I will say that I can remember that the Mitochondria is the powerhouse of the cell, thank you Mr. Woody.

IMANI DAVIS - FEATURES EDITOR

Newspaper has changed me as an individual and how I see the world. I highly recommend joining, if not Newspaper, some other club that furthers your passion or can help you discover what you're interested in. The memories of these past four years are honestly squashed into a little box right now -- they go by so fast, and some things that I thought were so important I barely even remember. Outside of Newspaper I am an intern at Image Comics and I'm working to get my Bachelors in Art at CGCC. Overall, Chandler High has left me with two things: a degree (hopefully) and the memorized quadratic formula.

Teacher Wills

"A mis estudiantes de Español 5/6 - ¡Uds. han sido la mejor clase que he enseñado en toda mi carrera! Gracias por siempre llegar a la clase entusiasmados por aprender el español. Su energía es contagiosa. Les deseo un futuro lleno de aventuras. <3"

~Sra. Bender, Spanish 5 & 6

"I am beyond proud of you, Class of '22, for your resiliency and ability to overcome the challenges the world has thrown at you during your high school years. To all my swimmers and other "kids"-especially the ones I've known since kindergarten-I will miss you more than you'll ever know!"

~Mrs. Moxley, English, Lifeguarding, Swim

"Congrats, Class of 2022! You guys are special to me because you were the last students taught as freshmen before switching to seniors. This year it's been my pleasure and privilege to have several of you for a second time around - I hope you've enjoyed it as much as I have! I'll send you off with my love and good wishes, and a nod to The Little Prince through a verse from one of the great poets of modern music, Mr. Bob Dylan:

May God bless and keep you always / May your wishes all come true / May you always do for others / And let others do for you / May you build a ladder to the stars / And climb on every rung / May you stay forever young / May you stay forever young."

~Mrs. Mitchell, English

"The last 4 years have been filled with adversity, obstacles and new challenges. You are about to embark on a new journey where you are truly in the drivers seat of life. Remember what you've learned, stay humble, work hard and stay true to yourself. Life is what you make, so go make it, great. Congratulations!"

~Mr. Poedel, Ceramics

"Seniors! Congratulations! All your hard work has paid off and you've graduated! I wish you the best of luck in all you do - I know you will go out and accomplish great things. Remember the lessons you've learned in your 4 years here and carry us always in your heart. Treasure Polonius's advise to Laertes, "This above all: to thine own self be true..."

~Ms. Kolaeki, English

"Be the light this world desperately needs as you exit this phase of your life. I am proud of each of you that has entered my classroom this year! This class has proven itself to be strong. Love you guys!"

~Mr. Parra, English

"Congratulations to the CHS Class of 2022! Go out and be your best- always!"

~Mrs. Templeton, Assistant Principal

"Class of 2022! Affirm everyday you get; that good things are going to happen to you and through you!"

~Mr. Scott, SPED Strategies

"Congratulations! "The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education." - Martin Luther King, Jr."

~Mrs. Nash, Biology

"Seniors! I may not have been here all year but I am so happy to have had the opportunity to be your teacher this last semester. I am so impressed and proud of the hard work that you put in this semester and I'm so excited to see you go off into the next chapter of your lives. I know that so many of you will be successful in achieving your dreams and I can't wait to see all the amazing things you accomplish."

~Ms. Austermann, AP Lit

"Wow, you made it! We are so proud of you. The class of 2022 has endured so much: the uncertainty of a global pandemic, the novelty of virtual learning, and the adaptability of what has come to be known as "the new normal." Yes it has been a time of change, but you have come through stronger than ever. Shout out to all those who were in room 116 for English 11 and English 9. Thanks for participating in the Meme of the Week and the Role Question. I hope you will fondly remember your time here at CHS."

~Ms. Tarance, English

"Be the change you want to see in the world; do something meaningful with your life; and stay true to yourself!"

~Ms. Richards, History

"Seniors! The Class of 2022 will always be so special to me. Thank you for sharing your joy, passion, perseverance, and humor with me; you've been the reasons why I woke up way too early to do this job every day for the last three years. Be kind to yourselves and others and continue to make me proud. To my Wolf Howl seniors, thank you for welcoming me into your weird, only slightly dysfunctional family. You amaze and impress me every day. I'll miss you all so much but Griffin will kill me if I write more so BYE LOVE YOU."

~Ms. Yap, English & The Wolf Howl Newspaper

"Have fun in life! Take that trip, go to that concert, buy those shoes, make those memories! Be present in those moments!"

~Mr. Cartagena, World History

"Do not be afraid to love these days. Take them gently and with consideration for eternity, but take them as your own. Have patience with your dreams and the expectations that others have for you. But do not defer all hope to the future for there are only so many tomorrows. As you leave through the gates that turn school days into memories, Follow your heart And the counsel of integrity. Above all, be kind. Go in love. May yours be a peaceful journey."

~Ms. Tate, Am/Az History and Psychology

"Having known so many of you since elementary school I am so excited to see where you all go! Congratulations to the entire Class of 2022, but a special congrats to my daughter Rachel! THE SKY IS THE LIMIT!!!"

~Ms. Padilla, Math / Algebra 2
