

# American Sign Language

**Did you know ASL is the 3rd most used language in the United States after English and Spanish?**

Students can earn Sixteen (**16**) college credits through Chandler/Gilbert Community College for American Sign Language year 1 & year 2

AND students can take ASL 3 & 4 for honors credit.

American Sign Language meets foreign language requirements for **all in-state universities** and **most** out of state universities!

This language is great for visual learners!

Research shows that learning a visual language improves manual dexterity, spelling skills, and increases mental processing speed.
