

PERRY HIGH SCHOOL SCIENCE

Welcome to Perry High School. Here is the typical sequence of science courses currently available at Perry.

	<u>On-Level</u>	<u>Honors</u>
Freshman:	Investigative Science	Honors Biology
Sophomores:	Biology	*Honors Biology ~ Honors Chemistry ~ AP Physics 1 (Pre-requisite: Algebra 2) ~ AP Biology (with concurrent enrollment in Honors Chemistry)
Juniors & Seniors:	~ Anatomy & Physiology Chemistry Physics	~**Honors Chemistry ~ AP Physics 1 ~ AP Chemistry ~ AP Biology AP Physics C ~AP Environmental Science

Freshman Honors Biology concurrent requirement is Honors Geometry or above due to the sophomore math requirement for Honors Chemistry. Algebra 2 is a pre-requisite for AP Physics 1.

* Students can take Honors Biology as sophomores with exemplary performance in Investigative Science and a teacher recommendation.

** Students can take Honors Chemistry as juniors with exemplary performance in Biology and teacher recommendation (math requirement still applies).

~ Courses that offer dual enrollment through CGCC.

Please refer to the district course catalog for descriptions and pre-requisites of each of these courses. If you have any questions please contact:
