A Message from the Principal

Good Afternoon Goodman Families ~

Welcome back from fall break. I hope everyone had a chance to rest and relax just a little and enjoy some family time together. Second Quarter is off to a wonderful start. Once again we thank you for being supportive during our construction.

I would also like to thank our PTO for Phase One of our new playground equipment. It looks amazing!

Message from 2nd Grade

2nd graders are beginning multiplication and learning about arrays and repeated addition.

Message from Student Council

Our Student Council is launching their "Gators Help Neighbors" personal hygiene drive for the Chandler Care Center beginning Monday, October 22 and will continue through October 26. Items needed include: Shampoo, deodorant, soap, toothbrushes, toothpaste, hand sanitizer etc. Please bring items to school during the week. Give the items to your teacher or drop them off in the designated boxes outside the MPR.

Message from the Health Office - Parents of 5th grade students

There are two new immunization rules from the Arizona Department of Health Services that will affect your child. ADHS have removed the grade level from the requirements and now require these vaccines by age 11.

- Students 11 years of age and older will be REQUIRED to have one dose of Tdap vaccine IF 5 years has passed since their last Tetanus/diphtheria containing vaccine.
- Students 11 years of age and older will be REQUIRED to have one dose of Meningococcal (Meningitis) vaccine.

IF your child is 11 years old now, these immunizations are due.

Please follow up with your health care provider for these immunizations. A REMINDER letter will be sent monthly until immunizations are complete.

If you have any questions regarding these new rules, you can visit their website at:

<https://www.azdhs.gov/preparedness/epidemiology-disease-control/immunization/index.php#schools-immunization-forms>

Immunization requirements can also be found on the district website under Departments/Health Services. If you have any questions, feel free to call the health office at: (480) 812-6902.

Note: Students turning 11 years of age in November and December, notification will be sent out next week as a reminder.

Message from the PTO
