A Message from the Principal

Good Afternoon Goodman Families ~

As we finish up the month of October, please remember that our Be Kind Theme is “Be Respectful”. The dictionary states that Respect is the act of giving attention, thought, gratitude or admiration to someone. Being respectful means that you recognize and appreciate others for who they are. Always be aware of how you treat others and yourself.

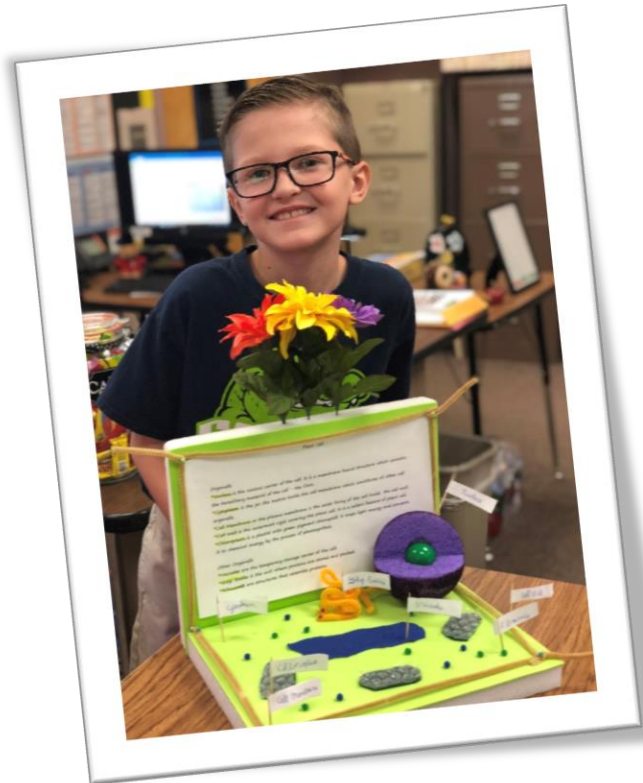

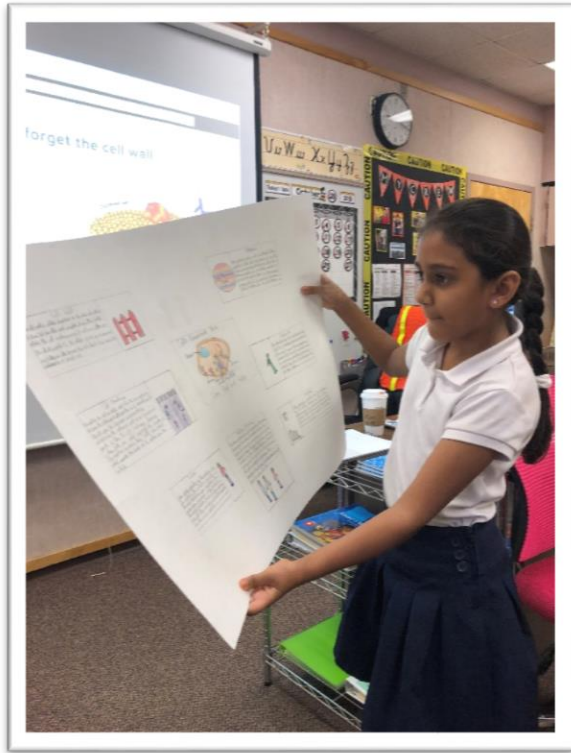

Great News~

Our New Marquee has Arrived!

Mrs. Duran's Class Reports

Today our 4th grade class started off by performing their "Cell Rap" for Administration. Next, they presented their cell projects to the class. They had to choose one of the cell projects from the rubric to present. They worked so hard and did a spectacular job!!

Message from the Health Office

Please be aware that any medications that are brought to school by a student will need a Consent for Medication Administration Form. This form is to be used for both prescription medication as well as non-prescription medication. Please visit the link below to view the Medication Policy Letter and the Consent for Medication Administration Form.

If after reviewing the policy you should have questions, please feel free to contact me at any time.
