

Goodman Friday News.....

November 30, 2018

A Message from the Principal

Good Afternoon Goodman Families ~

This week has been an eventful week here at Goodman – We have just finished up our Student Council Food and Toy Drive to benefit the Chandler Care Center. All items will be taken over to the care center this afternoon.

Our amazing 5th and 6th grade students performed beautifully at the orchestra concert! Our orchestra teacher, Mrs. Broomfield, developed a wonderful musical program which showcased how talented our students are. Thank you to all of our parents, families, and friends who were able to make it to the performance. It was a lovely evening.

Our kindergartners have been working on STEM family projects this year. STEM stands for Science, Technology, Engineering and Math. These types of projects are a terrific way to connect critical higher level thinking processes between school and home. This month our kindergartners were to create an object made from candy using any items from home. Take a look at some of their projects and see if you can recognize the objects! Great job Kindergarteners!

4th grade took a field trip to the Basha Art Museum. The students and teachers enjoyed their time at the museum and learned many new things. The teachers want to thank all of the chaperones who were able to take time out of their schedules to attend the field trip with the students. ☺

Western Week begins next week! Please take a look at the schedule below and plan accordingly. We are looking forward to another year of fun and western dancing! Please feel free to dress up on Friday in your favorite western wear!

December 3 - 7, 2018

Dancing Schedule, Friday - December 7

Come and see your child dance. All students will be dancing - see schedule below:

8:15 - 8:45 a.m.	3rd Grade
