A Message from the Principal

Good Afternoon Goodman Families ~

A Message from our Counselor, Mr. Shaun Incorvaia.

Welcome Back Goodman Gator Families!

My name is Shaun Incorvaia and I am the School Counselor here at Goodman Elementary.

This will be my 2nd year here at Goodman and my 6th year as a School Counselor, overall. I have been a School Counselor at the intermediate grade levels (4-6) on the Navajo Reservation, middle school grade levels (7 & 8) in North Phoenix and now I'm here at the elementary level, which is where my passion truly lies. I, especially, love being able to help build the foundation and start the students on the right path to become positive, contributing members of society. I have a Bachelor's Degree in Organizational Communication from Kent State University and a Master's Degree in School Counseling from Kent State University, as well.

When I'm not at school, I enjoy lifting weights, playing video games, and spending time with my wife and 2 daughters, Brooklyn (3 years old) and Brynlee (1 year old). Both of my girls are currently taking swim lessons and Brooklyn is in gymnastics and cheerleading, also, so they are extremely active. I love sports and have coached football for the last 10 years. This season will be my 1st season coaching at Casteel High School so come support our JV on Thursday and Varsity on Friday nights!

It's been amazing to see how all of the students have matured and grown over the summer. I am looking forward to working with you and your kids to help them improve themselves and their situations throughout this school year!

Thank you,

Mr. Shaun Incorvaia
