A Message from the Principal

Good Afternoon Goodman Families ~

I would like to take this opportunity to introduce our new Dean of Students, Mrs. Stacey Martin. Please join me in welcoming her to CTA Goodman.

Hello Goodman Gators!

My name is Stacey Martin and I am your new Dean of Students. I am so excited to be a part of the Goodman family.

I have been in education for 13 years. My first year in education I was a Kindergarten teacher, the following three years I taught 4th grade, and for the past nine years I taught 6th grade.

I absolutely loved being in the classroom teaching and getting to know my students. I am even more excited to be your Dean and get to know ALL of the students and families on campus.

I received my Bachelor's Degree from Baylor University in Speech Communications/Public Relations and I have two Master's Degrees in Elementary Education and Administrative Leadership.

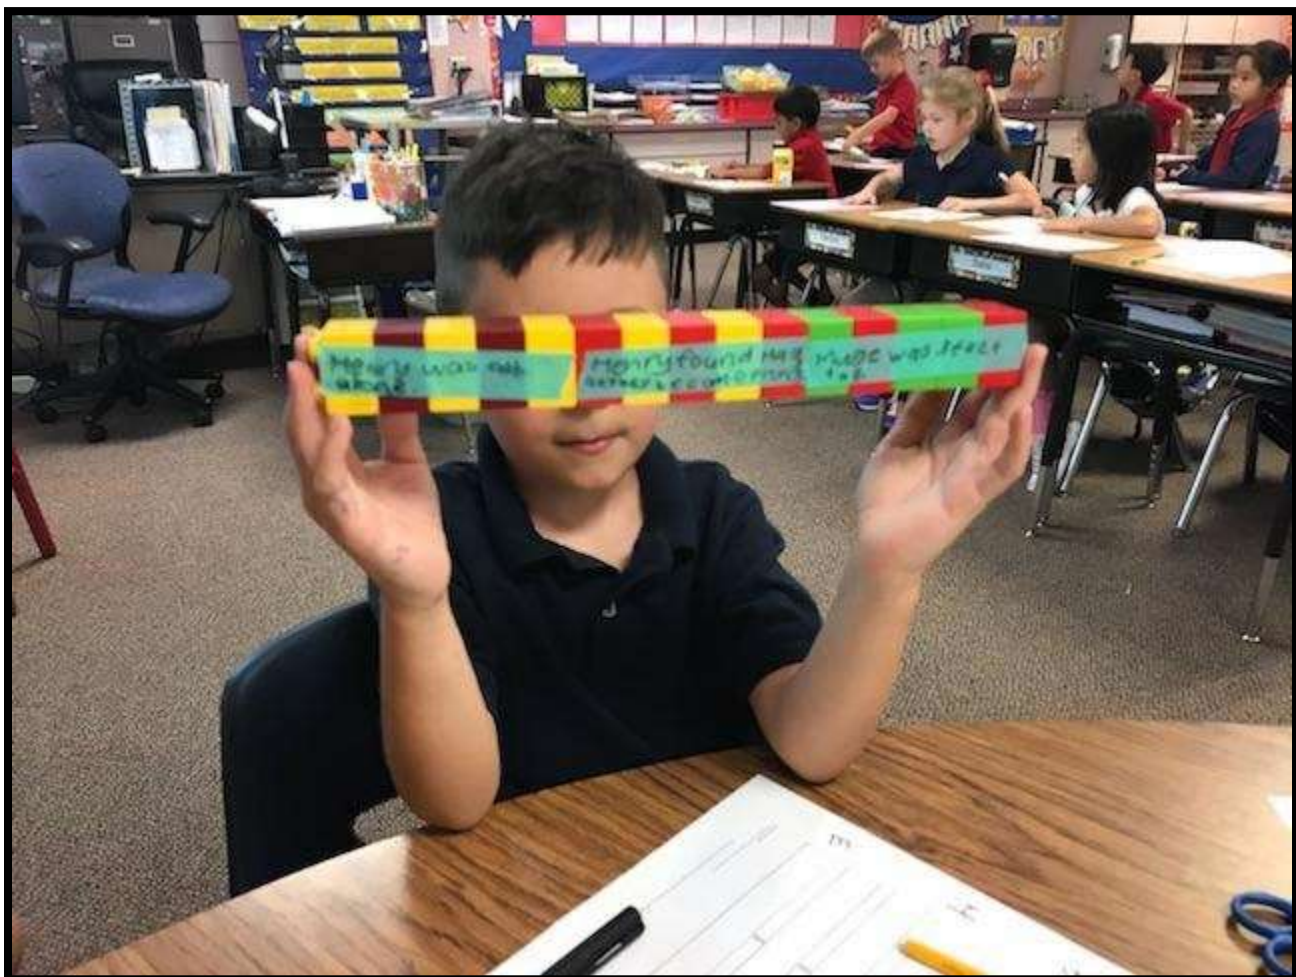

In my spare time, I love watching sports with my husband, going to the movies, shopping and reading. Sports is a major part of my life. My two sons play club soccer and basketball. My stepdaughter plays beach volleyball, and my 3-year-old daughter does gymnastics. I am very busy when I am not here at Goodman, but I love every minute of it!

Already in the two weeks I have been on campus, I have seen what an amazing staff we have! The teachers, office staff, custodians, and principal here really go above and beyond for kids and I am beyond thrilled to get to work with them. I have had the opportunity to walk through and sit-in on classes as well and the students are smiling, happy and engaged. What a fantastic year we are going to have!

Respectfully,

Mrs. Stacey Martin

A message from Mrs. Palomo in our health office – We have some sixth graders and kindergarten students that are still in need of immunizations. Please follow up with your healthcare provider to get these shots as soon as possible. When immunizations are completed, please bring in the updated shot record to the health office.
