

Dear Parent,

Your child is receiving this "orange note" after repeated warnings and 5 minutes in Think Time. Below is a detailed account of the day's choices. Please review them with your child and implement consequences accordingly.

How were my choices today?

I raised my hand when I wanted to speak.			
I listened to the teacher and followed directions.			
I kept my hands a feet to myself and on my property.			
I was kind to others.
