THE ROUND UP

THIS WEEK AT CASTEEL

BY: JAYSON PHILLIPS

Thanksgiving is a time that we come together as families to share stories, share time with loved ones, and in many cases it is a time that we can come together to recharge our batteries. I hope you find exactly what you need this Thanksgiving weekend. We all have a lot to be thankful for, and sometimes getting together with those that we love, reminds us how truly lucky we are.

In the last few weeks we celebrated our Girls Cross Country Team for winning state and we also celebrated two members of our Swim and Dive team that rose to the level of state champions.

Our football team defeated their first round opponent and will be playing on Friday. We hope that to see you and your family on Friday night at Highland High School Cheering on our Colts.

As we approach the end of the semester. I want to remind families that we do not give finals early. If a student misses finals they will need to make up the finals when they return.

WHAT'S NEW?

01 [Living Library](#)

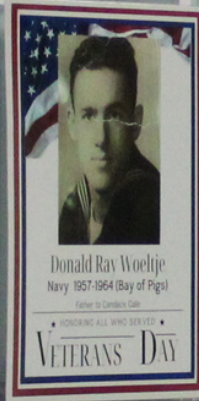

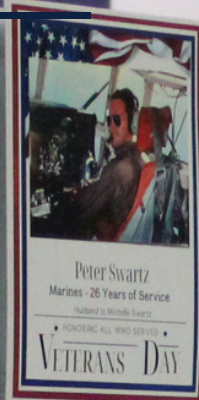

02 [Clash Wars](#)

03 [Upcoming Events](#)

COURAGE, CHARACTER, AND COMMITMENT!

LIVING LIBRARY

If you didn't get the opportunity to participate in our Living Library event to celebrate our Veterans Day, I encourage you to do so next year. It was a powerful evening, where we got to hear stories from those that served our country. Based upon the feedback it will only expand in scope and sequence in the upcoming years. Thank you, to all of you that came, and especially to Ms. Diaz who worked so diligently to put together an amazing event.

7TH VS 8TH

**7th and 8th grade will have their own Clash Wars.
When: Jan 19th from 4-6pm**
