

Dear new CTA Families,

Below are some suggested materials for you to purchase for your child through the Spalding website (www.Spalding.org). There are many other materials for home support as well, but these basic tools will allow students practice what they are learning in class.

[Phonogram Cards - Individual Size set of 87](#)

Individual size for tutoring/home use. Set of 70 original plus 17 additional phonogram cards. Instructions included. Coated, 3" x 4.25". Packaged in a laminated box.

[Phonogram Sounds CD-87](#)

Learning the connection between spoken sounds and symbols that represent those sounds (phonograms) is essential for accurate and automatic reading, writing, and spelling. The purpose of this phonogram DVD is to provide additional practice for students who need extra practice with the phonograms.

For a limited time, this product is shipped FREE to U.S. addresses via US Postal Service. Non-U.S. customers, please call or email Spalding.
