

Week of Sept 11-Sept 15

SEPTEMBER

From the Teacher

You may have noticed that each week our curriculum is introducing more sight words and literacy and writing concepts. Students will need to work hard and **practice** and we REALLY appreciate **your help** in giving them a solid foundation for a successful year in Kindergarten! Thank you for **working with your kids at home and completing homework** with them.

Homework

1. New sight word practice: is, no, man
2. Read the "Start Right Readers" with your child. Your child should be bringing home two a week and have colored them in
3. Have kids name the letters out loud that they recognize when you are driving or walking (shopping). Name the ones they don't know
