Class News

What's happening?

Spelling – We will be working on our cursive handwriting.

Language – We will introduce/review the 8 different Thinking Maps. Thinking Maps will be used throughout the year to brainstorm ideas in all subjects.

Reading – We will be reviewing the attributes of fine literature.

Math – We will learn about problem solving strategies, sequences, digits, even and odd numbers, using money to illustrate place value, and comparing whole numbers.

Social Studies – We will study Arizona's location and latitude and longitude.

Make sure your child is studying ALL their math facts. 4th graders are expected to complete 100 problems in 3 minutes.

PLEASE send your child to school with a water bottle. We want to make sure they stay **HYDRATED** throughout the entire day!

Lunch begins at 11:50 so please make sure your child eats a nutritious breakfast. There will be no snack time in 4th grade.
