

# SCIENCE CAMP

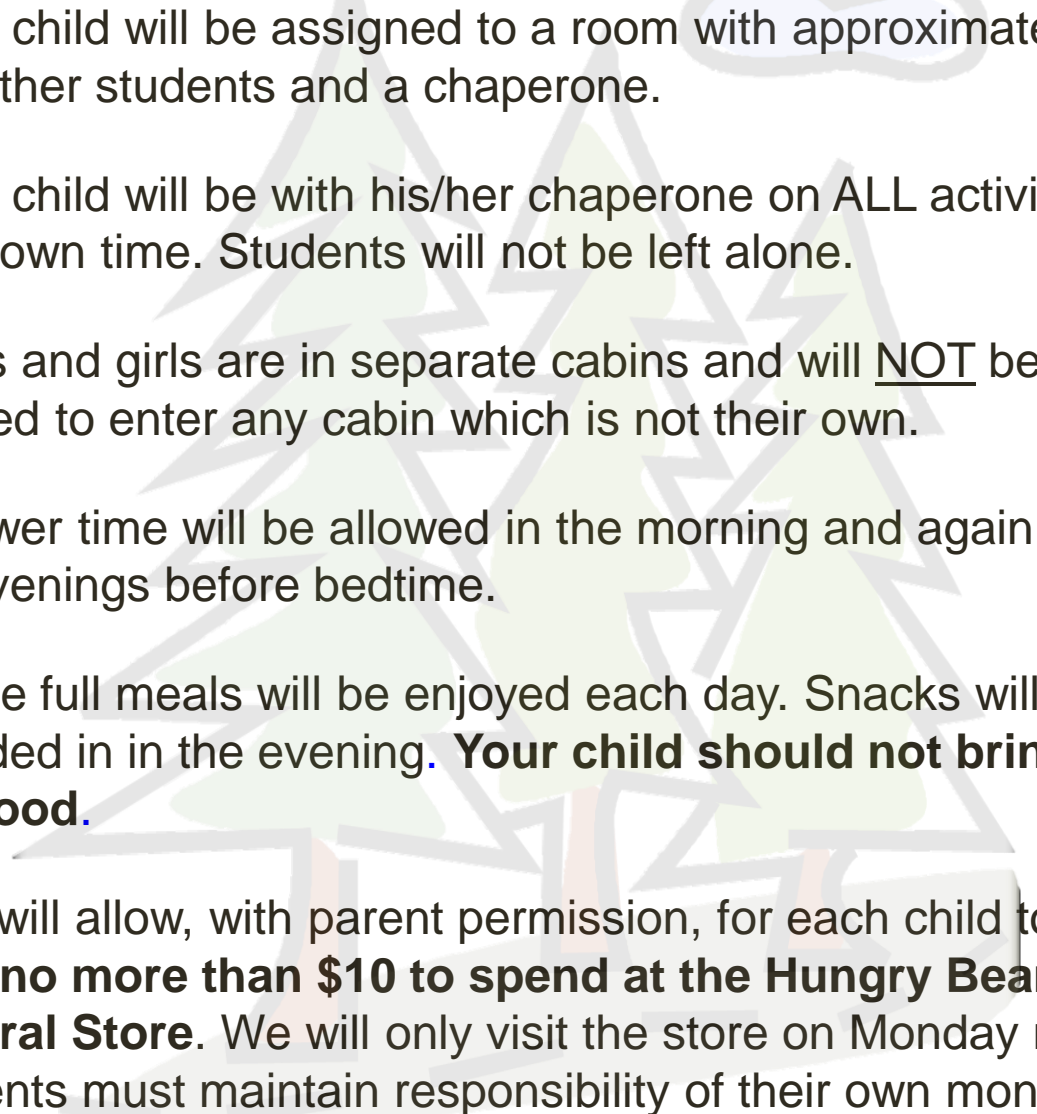

September 16-18, 2019

# Science Camp

Science Camp will take place from Sept. 16-18, 2019 at Prescott Pines Camp located near Prescott, Arizona. Students will travel on buses, both leaving and returning from Liberty, with teachers and chaperones. We will depart at approximately 9:00am on Monday, Sept. 16. Students will arrive at school at the regular school start time. We will return to school between 3:00 and 3:30pm on Wednesday, Sept. 18.

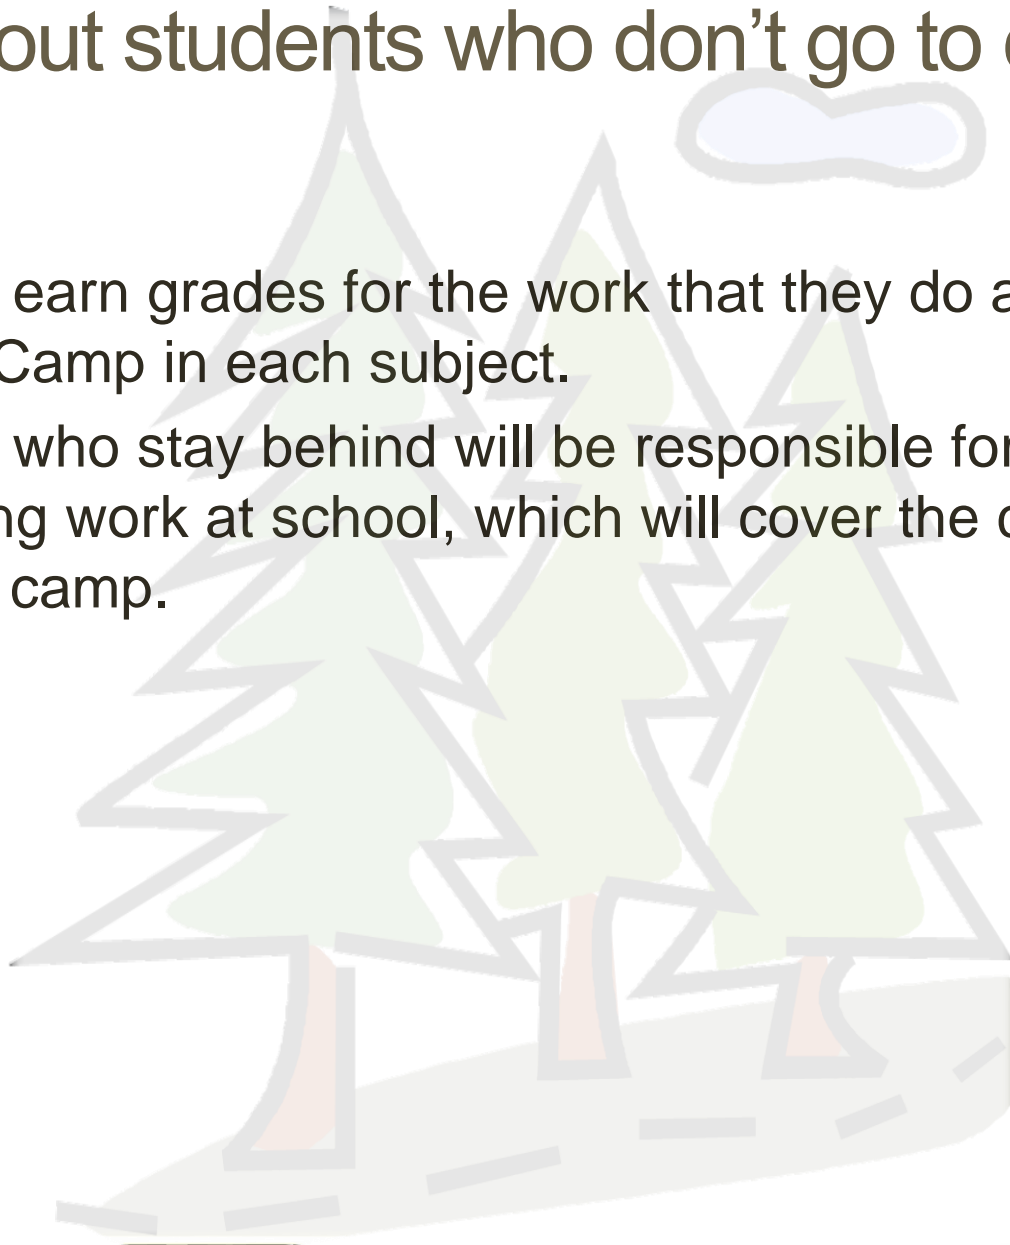

- 
- We will depart Liberty at approximately 9:00 am on Sept. 16th.
  - We will enjoy a sack lunch at Prescott Pines. Please pack or purchase a school sack lunch: lunch containers or bags will not be permitted.
  - Sixth grade will arrive at Prescott Pines at approximately 1:00 pm.
  - The teachers will call Liberty's front office to inform them of our safe arrival.
  - There will be teachers and adult chaperones attending camp with the students in addition to trained camp personnel.

- 
- Your child will be assigned to a room with approximately 4 to 6 other students and a chaperone.
  - Your child will be with his/her chaperone on ALL activities and down time. Students will not be left alone.
  - Boys and girls are in separate cabins and will NOT be allowed to enter any cabin which is not their own.
  - Shower time will be allowed in the morning and again in the evenings before bedtime.
  - Three full meals will be enjoyed each day. Snacks will be provided in in the evening. **Your child should not bring any food.**
  - We will allow, with parent permission, for each child to bring **no more than \$10 to spend at the Hungry Bear General Store**. We will only visit the store on Monday night. Students must maintain responsibility of their own money.

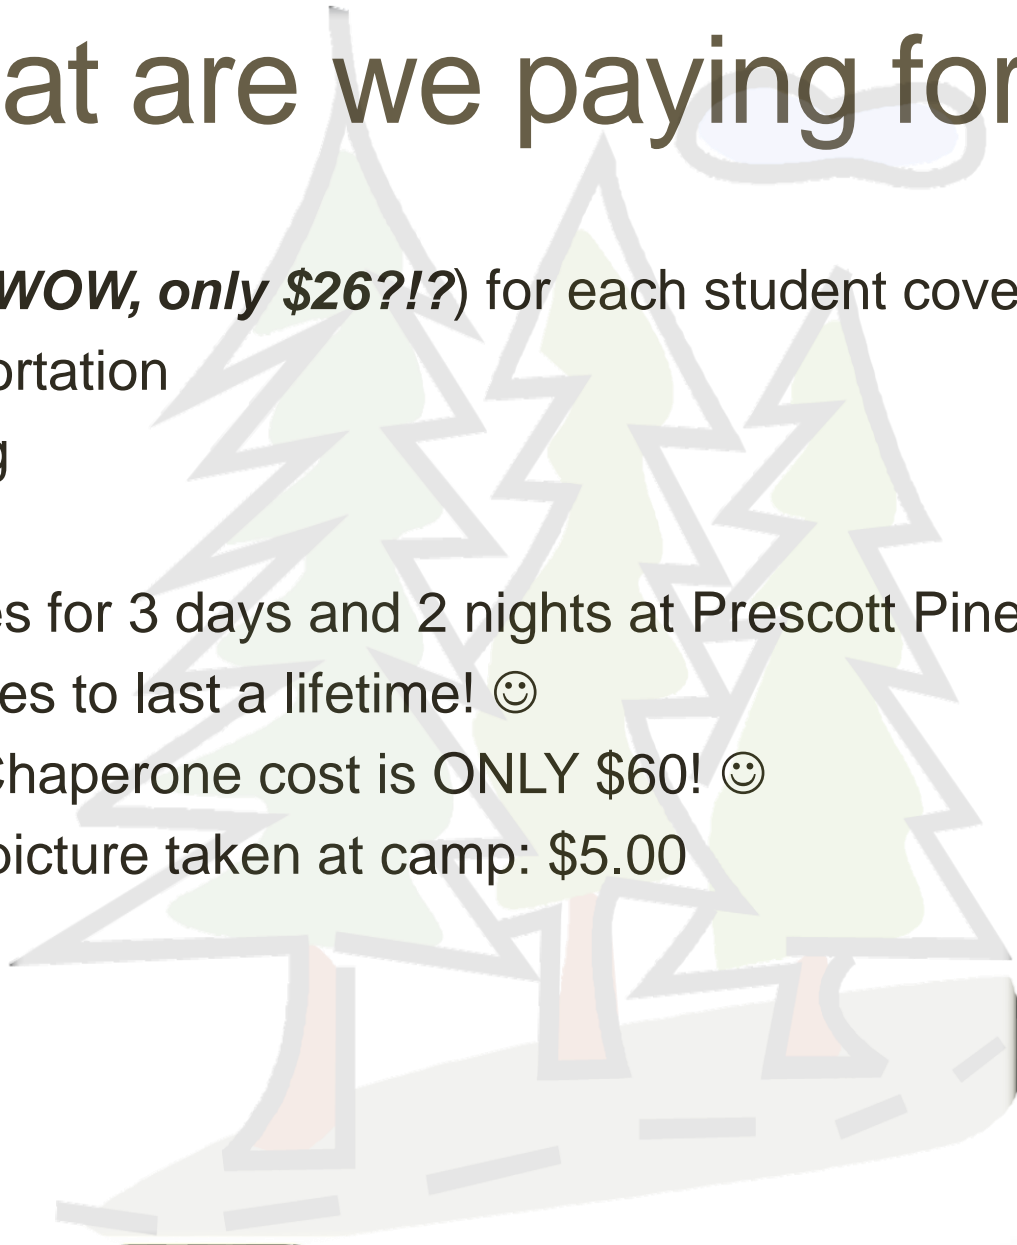

# What about students who don't go to camp?

- Students earn grades for the work that they do at Science Camp in each subject.
- Students who stay behind will be responsible for completing work at school, which will cover the concepts taught at camp.

# What are we paying for?

- The \$26 (**WOW, only \$26?!?**) for each student covers:
  - Transportation
  - Lodging
  - Food
  - Activities for 3 days and 2 nights at Prescott Pines
  - Memories to last a lifetime! 😊
  - **Note:** Chaperone cost is ONLY \$60! 😊
  - Group picture taken at camp: \$5.00

# What do they do at camp?

- **Engineering**: learn about bridge designs and the forces that act upon them. Build a bridge to see which one can hold the most weight
- **Heat Transfer**: students will learn about heat sources and transfer between to properties
- **Forensics**: science basics related to fingerprinting and chromatography methods
- **Trebuchet**: history, science, writing and math... this lesson has it all!
- **Owl Pellet Study**: students will learn about the complexity of the Arizona food web
- **Simple Archery**: using both physical and mental abilities to hit the bulls eye
- **Orienteering**: finding your way
- **Night Hike & Campfire**: singing camp songs, hearing stories and making s'mores make true a camp experience that both kids and adults love
- Additional **enrichment activities** will take place throughout our stay

# Science Camp Goals

Students will:

- Develop perceptions, sensitivities, and awareness of their natural environment
- Build a basic understanding of ecological principles and the relationship between each student and the natural world, while investigating the new science standards
- Work together and appreciate their own individual talent by creating positive social interaction among peers
- Develop new and deeper friendships with other 6th graders
- **Have fun!**

## 6th Grade Science Camp Behavior Contract

\*\*If a student's behavior requires "*loss of camp*," parents will be called and expected to retrieve their child from Prescott Pines Science Camp.

There is very limited cell service  
at Prescott Pines Camp.

Students **will not** be bringing  
cell phones and other electronic  
devices to camp.

If there is an emergency, please  
contact CTA-Liberty or the  
Prescott Pines Camp office at  
928-445-5225.
