

How to Sign Up for the Carpool Directory

All families of ACP Middle School students that are interested in carpooling may utilize our online carpool directory. All users need to be registered as a user on Schoolwires to be able to access carpool information. Parents that do not already have a username and password for the district website (Schoolwires) may set-up a username and password by clicking on REGISTER located in the bottom right-hand corner of our website to create an account.

Once a Schoolwires user account has been established, parents may complete the carpool registration form by going to the > Parents Tab > Carpool Directory> Carpool Registration Form.

The screenshot shows the Arizona College Prep Middle School website. The top navigation bar includes links for 'About Us', 'Our Staff', 'Academics', 'Athletics', 'Parents & Students', and 'Clubs'. The 'Parents & Students' tab is selected. Below the navigation bar, there is a 'Parents & Students Directory' section with a list of links organized by letter (A, B, C, D, G, H, L, O, P, R, S). A red arrow points from the 'Parents & Students' tab in the navigation bar to the 'Carpool Directory' link in the directory list.

Please list the phone number and email address for the parent / guardian that is the main contact. Do not enter a student's contact information.

The screenshot shows the 'Carpool Registration Form' for Arizona College Prep Middle School. The form is titled 'Carpool Registration Form' and includes the following fields:

- Name:** First Name, Last Name
- Full Name of Student (Will not be displayed online - for Admin Use Only):**
- Address:** Street Address, Cross Streets, City, State, Zip
- Sign In** button

The form also includes a 'Page 1 of 1' indicator and a 'Carpool Directory' link.

Note: After 72 hours, parents may "Sign In" to Schoolwires and then they will be able to see information relating to other users interested in carpooling.

It is recommended that you limit the search criteria information when searching the directory in order to yield the highest number of results. Searching with no parameters or only listing the zip code will yield the best results.
