

2016/2017 Conley Elementary PTO Volunteer Opportunities

Please note that all events are dependent on parent participation. Subject to cancellation if there are not enough volunteers

Fall/Spring Pictures: School pictures are taken twice a year of our Conley students. Volunteers are needed to help move the classes through the photography area and make sure that things run smoothly on picture day.

Family Game Night: This is one of the more casual events of the year, which gives both students and parents the opportunity to get to know new people and catch up with old friends. Kid approved board game will be set up in the MPR for the families to enjoy.

Teacher Appreciation Week: During this time, we ask that our volunteers help us celebrate our amazing teachers by decorating doors and/or the teachers' lounge, putting together small gifts for each day of the week or setting up a luncheon. Creativity is key here!

Dine-In's: Some of the most well-known events hosted by the PTO are the dine-ins. Every month, a local restaurant teams up with us to create a fundraiser, where a percentage of the sales for the night are donated to Conley. We need volunteers to help with flier distribution, promoting, and ensuring everything runs smoothly the night of the dine-in.

Holiday Shoppe: Shortly before winter break, the "Holiday Shoppe" opens, allowing students to purchase inexpensive gifts for their families, friends, and teachers. To help the shoppe run efficiently, we need volunteers to help our student shoppers, as well as set up, maintain items stocked and clean up the store area.

Coffee with the Principal: Every quarter, parents will have the opportunity to meet with the principal over Starbucks Coffee to discuss matters relating to the school. This is a great time for anyone who attends. Volunteers may be needed to pick up the coffee and set up the meeting area.

Family Bingo Night: This is a fun filled family event where everyone can play bingo and have a good time visiting with old and new Conley friends. The bingo games are free and prizes are awarded to multiple winners, both kids and adults, for each game. We need volunteers to collect donations for prizes, sell drinks and snacks at the concessions table, set-up and clean-up.

Conley Coyotes Glow Run: Boosterthon is a fundraiser used to support the PTO's programs and events. Most of the event is run by the Boosterthon staff, but volunteers will be needed to assist the day of the run and process payments and pledges following the event.

Yearbook Signing Party: A new event to Conley this year: students will gather to have their yearbooks signed by friends and teachers they wouldn't otherwise have the chance to see during the school day.

Making Copies: A means of communication we rely on is fliers, in which we would ask volunteers to make copies of fliers for upcoming PTO events and place them in the teacher's mail boxes.

Family School Dance: This event is the most anticipated of the school year. Volunteers have the opportunity to be on the committee that will brainstorm fun ideas, themes and decorations; as well as help with promotions. Vendor booths will also be available to coordinate. The decorations, music, food and vendor booths will all coordinate to the theme that is selected by the committee. Parents that are not interested in being on the committee will still be able to volunteer with other tasks.
