

Welcome To Conley Elementary!

The 2016/2017 PTO board members would like to welcome you to Conley Elementary! The Parent Teacher Organization (PTO) is a volunteer organization committed to providing extra support to our school in the form of fundraisers, fun family events (both at cost or free) and parental involvement opportunities throughout the school year. All adult family members of Conley students are considered members of the PTO and are invited to attend PTO meetings and be involved in any of this years planned events. There are many opportunities for you to participate in your child's learning community. It is our goal to work together with our families for the benefit of all of our children, as well as our teachers and staff. We want everyone to have a positive experience here at Conley Elementary.

Many of the great experiences at our school are dependent on the generous commitment of volunteers. To ensure the success of each event, we ask that everyone make a commitment to help with fundraisers and/or family events. Opportunities are available for any amount of time you are able to give, your help will be greatly appreciated. There is No "I" in PTO. ☺

In an effort to keep our families informed of volunteer opportunities, upcoming PTO events and meetings; please provide PTO with your e-mail address. Rest assured that this information will not be shared with anyone and will be used for these purposes only, as it will be stored in a secure database.
