

STEM²

Have you ever wanted to learn more about animals, tinker with simple machines, or construct a pinball machine??

This summer, join Mrs. Kristy Braaksma, a Knox Gifted Academy teacher who has traveled around the country as a master teacher and instructional coach, for an exciting STEM class! She will engage students in learning about animals, tinkering with simple machines, and designing & constructing pinball machines!

Where:

Fulton Elementary School
4750 S Sunland Drive
Chandler, AZ 85248

When:

Monday, June 5th—Friday, June 23rd

Time:

8:30 am—12:00 pm

Who:

Students entering grades 4th-6th

Questions??:

Contact Mrs. Kristy Braaksma at:
