

Join the Haley Birthday Club

What is Birthday Book Club?

Haley Elementary is pleased to continue our very successful Birthday Book Club. We have had such a great response that we are proud to continue building our Haley Library. For those students that wish to participate, student birthdays will be celebrated in the Library once a month. It is designed to engage students in the joy of reading, support the growth of our library, and celebrate the special day of participating students at Haley Elementary.

How does it work?

1. Parent fills out the attached form
2. Parent/Student donates \$18 (more is always welcome) to allow the library to purchase a new library-bound book from one of our approved vendors
3. Student participates in birthday celebration
4. Student selects from a group of pre-purchased books to donate to the library
5. Student nameplate is placed inside book recognizing donation
6. Student is first to checkout newly donated book
7. Donated book becomes part of Haley Library for all to enjoy

When will we celebrate?

Student's Birthday Month	Send donation money by:	Party Date:
May & June	May 18, 2021	May 20, 2021

Thank you for supporting Haley Library!

Sincerely,

Mrs. Horn
