

Week 5 Lesson Plans – 2nd Grade

Week of April 27th-May 1st

Monday:

ELA: Unit 6 Story 27, The Dog that Dug for Dinosaurs

1. In student text read Vocabulary in Context, page 418-419.
2. Read Preview Topic on page 421.
3. Then read the story starting on page 422-439 aloud (with someone or on your own.)

Optional Extension- Look up vocabulary words in the book's glossary or a dictionary. Then write the vocabulary words with the correct definition.

Math: Chapter 10 Lesson 4

1. Read and Complete pages 613-614 (Time to the quarter hour: Math in our world and Guided Practice).
2. Then do My Homework practice pages 617-618.

Optional Enrichment- Lesson 4 Enrichment page 79 (Time to the quarter hour). Draw four things that will take about a quarter of an hour to complete. There will be no answer key for this as answers will vary. *Students can also add what time they would start and finish the activity. For example, if I drew a picture of eating breakfast, I could say I start at 8:00 and finish at 8:15. Try making the start time at a quarter past, half past, or quarter till the hour for additional challenge.

Tuesday:

ELA: Unit 6 Story 27. The Dog that Dug for Dinosaurs

1. Review Vocabulary in Context Cards, page 418-419.
2. Reread Story pages 422-439.
3. Do Dig Deeper page 440- Have students make a chart like the one shown. Reread the story and find at least three facts and three opinions to complete the chart.

Optional/ Extension- Write each vocabulary word in a sentence.

Math: Chapter 10 Lesson 5

1. Read and Complete pages 619-620 (Time to Five Minute Intervals: Math in my World and Guided Practice).
2. Then do My Homework practice pages 623-624.

Optional Enrichment- Lesson 2 Enrich page 80 (Time to Five Minute intervals).

Wednesday:

ELA: Unit 6 Story 27, The Dog that Dug for Dinosaurs

1. Review Vocabulary in Context Cards, page 418-419.
2. Read the informational text on pages 444-447, La Brea Tar Pits
3. Do Reader's Notebook pages 172-176.

Optional/ Extension- Illustrate each vocab word and find the page number in your story.

Math: Chapter 10 Lesson 6

1. Read and Complete pages 625-626 (AM and PM: Math in my World and Guided Practice)
2. Then do My Homework practice pages 629-630 and My Review 631-632

Optional Enrichment- Lesson 6 Enrich page 81 (AM and PM)

Thursday-

Catch up day! Work on any work from above and/or read for 30 minutes.

Optional Math Enrichment: Chapter 10 math test

Optional Social and Emotional Activity:

Practice Mindfulness with Mind Yeti

<https://www.youtube.com/watch?v=j8sYqsD2WZQ&list=PLiaUKiwbiHMQDQLCXoPaMMYotldKIUQCw&index=1>

Talk about: What are the steps to get your mind ready for mindfulness?

Friday-

ATI Dialogs and Assessments.
