A Note from Mrs Nephew

Dear Haley Families,

Welcome to the 2019-2020 school year at Haley Elementary School. We are excited for the new school year and looking forward to working with your children. Our goal is to ensure students and adults feel safe, respected and welcomed at our school.

As your principal, I am very proud and honored to be a part of the Haley Family. There is much heart and soul in the Haley School Community. We are committed to providing each student with an educational experience that provides a pathway to high school and beyond. We work hard to identify the strengths and needs of all our students to ensure they are learning and progressing each school year. We stress the use of student data, teacher collaboration, and communication to achieve this. We are committed to providing a positive experience for all students. We also value parental involvement and know that it is critical to our success.

We need your assistance to keep interruptions to the daily instruction and planning process minimal. If you need to get a message to your child or leave item(s) to be picked up, please make use of our front office staff and receptionist.

Our students want to be at school on time and in the classrooms learning! School runs from 8:30 a.m. to 3:00 p.m. Students are allowed on campus at 8:10 a.m. each morning. Teachers pick up students at 8:25 a.m. on the playground and school begins at 8:30 a.m. It is so very important that students arrive on campus on time because learning begins promptly at 8:30.

We look forward to an amazing year of learning and growing for our Haley students. As always, thank you for your continued support of our school.

Educationally Yours,
Mrs. Nephew
