HAMILTON HIGH SCHOOL

Parents and Community Members,

Welcome to another exciting year at Hamilton High School! My name is Mike De La Torre and I am honored to be serving as the new principal of Hamilton High School. I wanted to take a moment to tell you how thrilled I am to be joining the team. It has not taken long to discover that HHS is a special place with outstanding students, supportive parents, and excellent teachers. Hamilton High School has long been the standard for comprehensive high schools in Arizona and I feel honored to become a part of that tradition.

We have a few new faces in the administrative team at Hamilton. I am proud to announce our administrative team with their respective student alpha split. Mrs. Dee Sillanpaa (A-DUO), Mrs. Amanda Cook (DUP-KARR), Mr. Richard Baniszewski (KAS-ORD), Mr. Michael Franklin (ORE-TOR), Ms. Malori Anderson (TOS-Z), and Mr. Brett Palmer (Athletics). The new administrative team is highly qualified and ready to take the reins at a highly performing school like Hamilton. As we make a few changes in leadership at HHS, we have an amazing opportunity to continue the expansion of remarkable academic and arts programs offered for students. Beyond the rigorous yet inspiring courses, students can expect to have a fulfilling high school experience with many clubs and activities to ignite their passions. Athletically, we expect to see our student-athletes reaffirm the Hamilton tradition of competing to the fullest with honor and class. In the end, we want to win in academics, the arts, athletics, and activities.

Our mission is to prepare students to be successful in their academic, personal, and professional lives. Student performance, during and after high school, proves that Hamilton High School is the place to be for a quality comprehensive high school education. In addition to our ambitious students, parent and community support allows HHS to be the best the state has to offer and compete with schools at the national level.

Husky Proud,

Mike De La Torre
