

Good News!

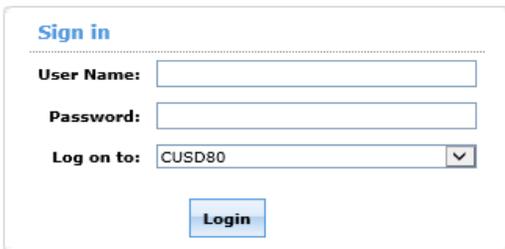

You have the ability to **reset** and **unlock** your own computer password.

You must first enroll in Active Directory Self-Services: The process takes only a few minutes!

1. From any computer, go to www.cusd80.com > Departments > Staff Resources & Links > click on the  **Active Directory Self-Services** icon.
2. Sign in with your user name (without @cusd80.com) and your current password. Then, Log In.
3. Click on the Enrollment Tab to register the security questions and answers.
**Minimum length of your answers should be at least 4 characters.*

Reset a Password or Unlock Account from home or any computer:

1. Go to **Active Directory Self-Services:** from any computer, go to www.cusd80.com > Departments > Staff Resources & Links > click on the  **Active Directory Self-Services** icon.
2. Choose Reset Password or Unlock account as shown below. Enter your user name (without @cusd80.com) and follow the prompts.
