# Developing Citizens of Character

# What we are

- An elective course that applies integrated core academic skills in a dynamic team environment
- We use Air Force organizational structure in a hands-on team environment to develop leadership skill, character and professionalism in each student

## Our Mission

Our mission is to foster strong bonds of camaraderie among our teammates, uniting us in a shared commitment to develop character and serve our community with pride!

## What we are not!

- We are NOT military recruiters
- Students are NOT joining the military
- We are NOT a school discipline tool

## What do we do?

- Competitive Drill
- Formal Dances and Dinners
- Field Trips
- Community Service
- Color Guard Presentations

**And so much more!**

**Integrity first,  
Service before self,  
and Excellence in all we do.**

## 2024-2025 CLASSES

- AS-200 Science of Flight
- AS-400 Cadet Management
