

Our fundraising options available for schools and non-profit organizations.

1. Cash Back

Let us bring the Sno to you. Bahama Buck's shaved ice is a great way to bring a taste of paradise to your events. This is the coolest way to have a profitable fundraiser for your school event, club or sports team with no cost or work for you! Just give us the details and we will pay YOU a percentage for allowing Bahama Buck's to bless your supports. We typically sell 12oz flat tops for \$4.00 and donate \$1.00 back for every Sno sold. This fundraiser can be customized for your event. Apply online: <http://bahamabucks.com/community/events.html> select **Chandler** 4040 S. Arizona Ave location.

2. Coupon Cards

Selling coupon cards is an option that works great for sports teams and clubs. The concept is that we sell the cards to you for \$2.50 each, and you sell them for \$10 each. We would typically limit the print run to 200 or so, leaving your group a profit of ~\$1500. The coupons would only be valid at our location, and we would include your logo. The potential value of this coupon to a purchaser is up to \$40 if they redeem their coupons for Avalanche sized sno. If they redeem for our most popular size, the value is around \$35.

3. SnoBlasts

Selling SnoBlasts is an option that works great for large events like football, basketball, concerts, plays or presales. We are happy to sell them to any non-profit organization for \$2.50 each and you can sell them for whatever price you decide to set (we heard some groups sell them as high as \$6.00). You may want to note we sell them in the store for \$4.49. They are in 16oz containers and come 20 per case. It takes corporate 4 days to ship them to us so we must have at least 1 week advance notice on any order. You can mix and match flavors but we cannot take any returns, once we deliver the order to you they are yours to store (keep frozen) and resell. Flavors: Cherry Sublime, Krazy Koconut, Riptide Raspberry, Watermelon Wave and Lemon Blast

4. Benefit Nights

Bahama Buck's offers *Buck's Benefit Night* that gives organizations the ability to earn money and have a great time doing it! Simply schedule an event and bring in your supporters. Bahama Buck's will donate a percentage (15%) of the net proceeds during the event back to your organization.

Benefit Nights are available Monday – Thursday for a maximum of 3 hours which you can pick (4 – 7, 7 – 10, or something else). Apply online: <http://bahamabucks.com/community/bucks-benefit> select **Chandler** 4040 S. Arizona Ave location.

We will provide you with a Benefit Night kit that will help you promote your event.

Bahama Buck's wishes you the best and hope we can assist you in raising money for your non-profit organization.
