Greetings Sophomore Parents,

My name is Jennifer Pawlik, and I have volunteered to represent you and your family as a member of ACP-Erie's Advisory Council. I am the Kalie and Katie's mom and a sixth-grade language arts teacher at CTA Liberty.

"The purpose of the Advisory Board is to develop, review and update ACP-Erie policies and guidelines. The Advisory Board has played a pivotal role in the development of ACP-Erie from its inception. It is the intent of ACP-Erie's administration to continually involve the school community, through the Advisory Board, in the making of school policy."

As the parent representative, I will contact families to communicate and gather input and feedback pertaining to ACP-Erie policies. Please note that I welcome your comments. As Mr. Bickes stated, we want to hear "the good, the bad, and the ugly." My email is JenniferLPawlik@gmail.com.

At this time, I am looking for feedback regarding attendance at school sporting events. Does your child attend sporting events? Why or why doesn't this appeal to your child?

After the fall break, the ACP-Erie Booster Club will be reformatted into an Executive Board which oversees an Athletic Committee and a Social Committee. If you are interested in serving in any capacity, please contact Veronica Kreil. veronicakreilhp@yahoo.com

Thank you for the opportunity to serve as the Parent Representative for the sophomore class!

Sincerely,

Jennifer Pawlik
