

Hello There,

I would like to introduce myself. My name is Sandee Walberg, my daughter Raegan is a 7th grader this year at Erie and I am an Advisory Board Rep. for the next 2 years. The Advisory Board is made up of members of the Erie administration, faculty and parent representatives like myself with the purpose of developing, reviewing and updating the schools policies and guidelines. I will be a direct contact between you and the other parents in your grade level and the administration of the school. Contact me with input and feedback pertaining to any policies, guidelines or concerns that you may have as a parent of an ACP student. Otherwise, I will be sending out an email to you as needed to communicate the activities of the Advisory Board.

We had our first meeting of the school year this morning. Following is what was discussed, if you have any questions, suggestions or concerns regarding these agenda items, please let me know.

* Homecoming Week is next week and will include a week of Spirit activities for all students that will conclude with the Homecoming Dance on 9/21 for the High School students. The big family event for Homecoming is the Homecoming game on Thursday. The school would love to have all families come out to support ACP as they take on the Spartans Thurs. @ 4pm and then stay for the Parking Lot party afterwards which will have dinner items served from Food Trucks (the newest trend in AZ), student entertainment, music and lots more fun. Bring chairs and the food trucks all take credit/debit and cash. Proceeds will support the school.

* Math Overview Night - will be Tues. 9/24 or Wed 9/25 the Math department will be sharing how math is being taught in an investigative approach and how it will benefit our students. Exact date/time will be announced next week.

* NCA Accreditation visit - the administration has been working very hard to organize for college accreditation. The accreditation board will be at Erie next Wed. The school is looking for parents of High School students who would be willing to join in a round table discussion with the accreditation board from 3-3:30pm next Wed. If you are available and willing to share your Erie experience please let Mr. Bickes know.

* Erie Booster Club - changes are in the process to create a Booster Club executive board that will become active at 2nd quarter. They are looking for executive board members. If you are interested in a position, please contact Veronica Kreil at veronicakreilhp@yahoo.com.

Thats it for now. Have a great fall break and we will see you all at the Homecoming Game/Parking Lot party next Thursday.

Best Regards,

Sandee Walberg
