

Hello Fellow 9th grade Parents,

I would like to introduce myself as your 9th grade representative on the Advisory Board for ACP-Erie. My name is Cheri Nason and I have a son, Connor, in 9th grade. I also have a daughter in 7th grade at ACP-Erie.

While this is our first year at ACP-Erie, we have been in the Chandler Unified School district for the past 7 years at CTA Independence and ACP-Oakland. I live and work in Chandler and have a strong interest in helping our school succeed.

As your parent representative for 9th grade, I look forward to serving as a liaison between parents and the administration as we continually work to develop, review, and update ACP-Erie policies and guidelines.

I encourage you to contact me regarding any questions or concerns you may have about any facet of the school and I will relay these concerns to the Advisory Board and administration at ACP-Erie.

From time to time I may also contact you to gather your input and feedback regarding policies and will bring these to the Advisory Board for guidance.

Our administration at ACP-Erie is very open to involving the school community in decision making and the Advisory Board is our opportunity to do this - please do not hesitate to contact me.

You may contact me by email at cjnason@yahoo.com. If you would like to discuss a matter by phone please email me your phone number and I will contact you as soon as possible.

Go Knights!
Cheri Nason
