STEM -- SCIENCE TECHNOLOGY ENGINEERING MATH

Our STEM Pre-K program is committed to creating a safe and nurturing environment where your child can explore, create and foster their **Science, Technology, Engineering, and Math** skills. Our mission is to nurture the emotional, cognitive, social and physical health of your child while simultaneously allowing, encouraging, and orchestrating their creativity in a quality learning environment. Our Pre-K programs are taught by a certified teacher and staffed with an assistant. Class size is limited to 20 students with a 10:1 student/teacher ratio and licensed by the Bureau of Health and Safety.
