

Dear Families,

It is a pleasure to welcome you to the second grade at Chandler Traditional Academy, Freedom Campus. This year will certainly look and feel different! We will get through this together. I am looking forward to working with you and your child! Thank you for choosing to loop and to my new families, welcome! To start preparing in this time of uncertainty, here is a supply list you may consider.

Supply List 2020/2021

- Laptop/Tablet/Computer (for virtual components at home)
- Earbuds or headphones w/a mic (optional)
- Personal dry erase board (or pocket protector with white paper/cardstock)
- Dry erase marker(s)
- Dry erase marker eraser (sock, cloth, felt, paper towel, etc.).
- Sharpened pencils and extra eraser if desired
- Spiral Notebook(s) for notetaking or solving problems
- crayons/color pencils/markers
- Scissors
- Glue Stick
- Pencil box/bag to fit all tools
- 2 folders with pockets
- 1in binder *

**Some items are more for at home learning while others are more for in person but nice to have at the start for easy transition. For a pencil box/bag you could even have them put supplies in a ziploc bag. Whichever method helps them stay organized. All items except the computer can and will be used in the brick and mortar setting.*

Let me know if you have any questions or concerns, happy to help!

Kindly,

Mrs. Bovard
