Andersen Junior High

Andersen Junior High School is a diverse family of learners dedicated to providing support and opportunity for all students to master grade level, CUSD, and state standards regardless of previous academic performance, family circumstances, socioeconomic status, race and/or gender. Our staff plans collaboratively to create standards-based instruction and provide students a quality education in a safe and nurturing environment. We foster the development of positive social and emotional behaviors in all students and staff to “make a difference” in all that we do.

Important Reminders

- Please remember to adhere to the traffic rules before and after school and always pull forward in the loading zones. This will prevent gaps between cars and allow for more cars to enter the parking lot during pick-up and drop-off times.
- Students are not to be on campus before 8:00 AM
- In order to be successful in school, it is important that students are at school. Please review and observe our school attendance policy.
