

## Quarter Parties

Please read the following policy, initial on the lines provided, and sign below. Return to your homeroom teacher ASAP.

\_\_\_\_\_ There is **a reward party** at the end of each quarter that celebrates good character and good grades throughout the quarter. These celebrations are a privilege. The \$25 activity fee covers the expenses for each trip, in addition to Greek Olympics, STEM days, etc. and **is not refundable**.

\_\_\_\_\_ Students who have earned a **70% or higher and have no missing assignments in all classes**, will be eligible to attend the quarterly celebration.

\_\_\_\_\_ **As stated above, any student with 3 or more reflections/communiques or one misconduct ticket will be ineligible to attend.**

\_\_\_\_\_ Ineligible students **are expected** to attend school the day of the quarter party to complete work, improve their grade, and reflect on their behavior.

**My child and I have read through, and understand, the 6<sup>th</sup> grade quarter party policy.**
