## A Note from the Sullivan and Falker Families

Thank you Jacobson Elementary. The outpouring of generosity has been overwhelming. We are so honored and humbled by the many donations, gifts, meals and prayers for our family. As we still grieve for our Stacey, it brings us some peace that her children and her niece have been not been far from your thoughts. We appreciate all of you.

Kevin, Stephanie, Duane, Kyle, Sydney and Izzy.

## What Do You Think? The PTO Wants to Know

The 2019-20 Jets PTO would love to get your input on next year! Please take the short survey, linked below, to provide input.

## Appreciating Differences

Mrs. Wright's class recently worked with Mr. Earnest Robinson of the CUSD videography crew to record their "I Am" poems, which highlight their cultural diversity, for the upcoming Equity Symposium. The symposium will reach CUSD teachers and staff as well as surrounding districts. Dr. Adama Sallu was kind enough to visit the class earlier in the year, while students explored their cultural heritages and highlight diversity creating a rich classroom environment.

## Donations for Kids Express

Kids Express ( before and after school program through community Ed ) services over 100 of our students! They need our help with donations of Barbies. If you have anything Barbie related-including houses, clothes, accessories, feel free to drop them in the front office. We would love to have them for our students before and after school. Gently used items in good condition are always welcome! Play time is important for our students after working so hard.

## Viola? Trumpet? Bass? Sax?

Last week, fourth grade students learned about band, orchestra and general music options to help them make a music choice for 5th grade. Thanks to Ms. Oh and Mr. Virgo and our student volunteers who gave these kiddos an introduction into their musical options. Jacobson is proud to offer strong music programs for our students.

## Helping the Bigger Community

6th graders worked during the fourth quarter on their Genius Hour Projects. The students learned how to sew sling backpacks and worked to fill them with toiletries. These were donated to Hamilton high school to help CUSD students in need.

Rajani Rastogi, a social worker for the district, was a guest speaker in class and invited them to Hamilton high school to see how the district managers supplies for underprivileged families. While at Hamilton, students packed 90 supply bags for families, toured the high school and spoke with NHS and Huskies helping Huskies students, as well as attending a mindfulness session. #Jetsflywithpride

## Kindergarten Hard Work Pays Off

Kinder students and teachers participated in a project-based learning activity where they discussed WHY they need a new, better designed playground and HOW it should look. Students and staff fused thinking maps to process their ideas and create ideas for a new, safe playground. Students wrote letters and created videos that went to district office officials and school principal Ms. Wolf. These kindergarten leaders found out this month the project was a success! Jacobson will get a new North-side playground this summer!

## Hard Work Also Pays Off on the Track!

Congratulations to Audra Gorder!

Audra, a 6th grader, is heading to Santa Monica in July. She recently qualified for the AAU Beach Volleyball West Coast Junior Olympic Games!! Go Audra!
