# WANTED

Anybody with even a little bit of spare time who wants to help our teachers. We're needing a few volunteers to work in our copy room making copies, laminating, cutting, stapling, etc. for our teachers. You don't need experience, just a willingness to help out. It would make a world of difference to teachers who want to spend every possible minute doing what they're here for—TEACHING.

Please stop by the front office if you're interested.

## Please Be Safe During Parent Drop-off and Pick-Up \*REPEAT\*

It's a new school year, and there's an excited buzz on campus. Students learn so much better when their mornings start out right, and a big part of that is arriving to school SAFELY. We know our parents love their children dearly and value student safety just as much as we do!

We're asking ALL OF OUR PARENTS to take a few minutes to review the parent drop-off and pick-up safety procedures on our [website](#).

## We Love Our Parent Pick Up Families!

Thank you to ALL our families for using our stylish car hangers in your car. This helps our parent pick up area dismiss even quicker! A reminder that ALL cars need to have a car hanger hung on the rear view mirror. If you have not received one, let your teacher know.

In addition, we have lots of families that walk up to gather their student on the K-2, West side pick up area. Parents must make a line in the parent waiting area in front of our benches. There are so many of you, and the group creates a WALL of mommies and daddies – it makes it hard for students to walk to their cars.

Again, if you walk up to school to pick up your child on the K-2, West side dismissal area, make one line near the benches. There is a cone noting where the line starts. Thank you.

#Peace.Love.Jets.

## Keeping Students Safe: No Dogs at School

They're fun and furry, but please leave them at home. The District's policy is that no dogs are allowed on school grounds.

Some students have allergic reactions hence the policy to keep all our students and staff safe.

Thank you for helping us make our kiddos' safety a priority!

## Student Volunteers Needed for Safety Patrol

Dear Fourth, Fifth and Sixth Graders,

One of our essentials here at Jacobson Elementary is to make our school a safe environment in which upper elementary students make sure our students arrive and depart the school grounds safely. Creating these types of student leadership roles are the purpose and goals behind "Safety Patrol" as they experience what it means to be a civic minded citizen.

Safety Patrol Jobs include:

- Safety Patrol aids in helping students exit and enter their vehicles at drop off and pick up daily.
- Make sure pedestrians cross safely at the crosswalks between the parking lot and sidewalks in front of school grounds.
- Help with the flow of traffic so that students can be picked up and dropped off quickly.
- Ensure that students riding buses exit the playground on time after school to catch their buses.

This year students will sign up per quarter - this being based on their schedule outside of school - think your sport season and practice - and being busier during one quarter than another. Past years have revealed lack of interest in participating due to "having other commitments" that get in the way during certain times of the year. Therefore, we are looking for students to sign up for the entire quarter based on the following situations and circumstances.

- Are you able to be here in the morning before bell or staying after school.? If you are a parent drop off student and come earlier, or in Kids Express, this is perfect for you. If you get picked up after school have Mom / Dad come 20 to 30 minutes later (instead of sitting in traffic) and be a part of Safety Patrol.
- You will earn points each time on your Safety Patrol badge towards a t-shirt and other awards during the time you participate.

Morning duty is from 8:00 to 8:25 a.m. and afternoon duty is from 2:55 to 3:20

Please sign up by completing (circle all that apply).

- I can participate during 1<sup>st</sup> 2<sup>nd</sup> 3<sup>rd</sup> 4<sup>th</sup> quarter.
- I can be here during the morning afternoon both
- I am a 4<sup>th</sup> 5<sup>th</sup> 6<sup>th</sup> grader in \_\_\_\_\_ class

My child \_\_\_\_\_ has my permission to be a part of the Safety Patrol Teams here at Jacobson Elementary during the 2019 - 2020 school year.
