The Sound of Drums!

Music teacher Ms. Wittbrodt wrote a grant to purchase a drumming unit!

Now our fourth graders practice reading their music notes while learning drum skills!

They've got the beat!

An Electronic Reminder

A reminder to all our students & families: cell phones are not allowed during the school day. At no time should you have your phone out on OUR school campus. We understand some of our students have phones – they are to be kept in your backpack. Phones are not to be kept on your person UNLESS you have a specific plan agreed to by administration and home. Students will only access their phones after the bell rings at 3:00. Students who break school rules will have their phones confiscated by their teacher. The phones will be kept in the front office, in the principals office. Parents will be required to pick up the electronic device.
