

SNAPSHOTS OF Ms. Hartman's Class

Week of August 18th- August 22nd

What We're Learning

Reading- This week we will be reading: Diary of a Spider. We will be trying to answer the essential question: how do good friends act? While reading our comprehension and skills strategies will be cause and effect along with summarizing.

Writing- We will be working on detailed sentences in opinion writing. We will be writing an opinion piece about our favorite season.

Math- We will be working on sums of ten, writing dates using digits, identifying and shading halves, fourths, and eighths, along with a written assessment. Just a reminder students will be bringing home homework daily so please be sure to check in with them and ask them about which topic we are studying.

Science- We are learning about how the earth experiences four different seasons and learning about how certain parts of the Earth experience it a little more than we do.

Spalding- Students should be practicing their 30 spelling words. We will be testing on THURSDAY so, please be ready. We will also be introducing our spelling words for next week in class this week with our phonogram practice.

Grammar- We are working on identifying nouns in sentences.

News from PTO

Please keep your eyes out for BOX TOPS! We are collecting them. They don't have to be on any certain paper.

Parent Teacher Conferences

They are approaching! Please check your email for an email that was sent out on August 16th for conference sign-ups.

Note from the Teacher:

Just a reminder that if students are earning a 60% or less on an assignment, they are welcome to make changes to it and turn it in for half a point for each question they fix.

I believe that we learn from our mistakes, so by getting a second look allows our brain to grow just a little bit further.
