

SNAPSHOTS OF Ms. Hartman's Class

Week of January 7th- January 10th

What We're Learning

Reading- This week in reading we will be reading a realistic fiction story entitled: Mr. Tanen's Tie Trouble. We will be focusing on reading skills such as story structure, understanding characters, and inferencing.

Writing- We will be writing creating new goals for the 2020 school year.

Math- We will be working on squaring numbers, identifying perfect squares, finding area of a square, simplifying expressions with exponents of 2, showing three and four digit numbers using base ten blocks, writing three and four digit numbers for a model or picture, subtraction facts with difference of 3, and ending with a written assessment. Uffda!

Social Science- We are starting a new unit called My World. We will be trying to answer the question: how does the culture and location of others impact our world? Students will understand how and why goods/ideas move from place to place and how weather can affect how people live and move goods.

Spalding- Students should be practicing their 30 spelling words. We will be testing on THURSDAY so, please be ready. We will also be introducing our spelling words for next week in class this week with our phonogram practice.

Grammar- We are working pronouns.

News from PTO

PTO meeting this January 15th!

Note from the Teacher:

This quarter we will be starting to master our multiplication facts. Students will be doing various activities in class to help them master the facts but practicing them at home would be helpful. If you need access to some flashcards or websites for practice let me know.
