

SNAPSHOTS OF Ms. Hartman's Class

Week of March 2nd - March 6th

What We're Learning

Reading- This week we will be finishing up Gloria: Who Might Be My Best Friend from our Journey's series. Our focus for the week is identifying character traits and asking questions to better understand the story.

Writing- We will be finishing our writing of a two paragraph comparison piece where students talk about how they are similar to their table partner and how they are different from their table partner.

Math- We will have our written assessment and final fact assessment this week. Please be sure students are practicing their addition, subtraction, and multiplication facts on a nightly basis.

Social Science- We will be looking at patterns of global change.

Spalding- No spelling this week. 😊

Grammar- We will be finishing up our learning about adjectives and using appropriate adjectives in our writing.

Second Step Skill: Predicting Feelings

One of the causes of peer conflict and aggression is students assuming hostile motives when other do something they don't like. When students assume that others' actions are hostile, they are more likely to respond negatively. That is why we are looking at predicting others feelings in order to avoid the negative behavior.

NOTE FROM THE TEACHER

Have a great, relaxing, and healthy spring break. Hope everyone can work off this cough and cold that has been going around room 11.
