

SNAPSHOTS OF Ms. Hartman's Class

Week of October 21st – October 25th

What We're Learning

Reading- This week we will be reading: Jellies We will be looking at answering the question: what is special about animals that live in the ocean? We will be focusing reading skills such as fact/opinion and authors purpose to help better understand the text.

Writing- We will be completing our scary story this week. We had students write about a time in which they were scared. We will be drafting, editing, and revising this week.

Math- We will be completing lessons on counting quarters, finding half of a set of objects, adding three or more single digit numbers, and telling and showing time to the five minute interval. Just a reminder students will be bringing home homework daily so please be sure to check in with them and ask them about which topic we are studying.

Science- We will be finishing up our magnet unit this week. We will be focusing on the north and south poles and doing various experiments to experience the attraction and repel force happening between the two poles.

Spalding- Students should be practicing their 30 spelling words. We will be testing on FRIDAY so, please be ready. We will also be introducing our spelling words for next week in class this week with our phonogram practice.

Grammar- We are working on writing verbs in present, past, and future tense.
