Session 1

Begin the year with a **SPLASH** with AIT Water Games!
(Dress to get soaked as we play fun sports and games with water!)

Athletes In Training Sports Club gives **boys and girls in grades K-6** the opportunity to investigate and participate in multiple sports, right on **their own school campus!** Our energetic and fun coaches teach children the basics of a different sport each session, as participants enjoy playing on teams with their fellow classmates. Join AIT Sports Club for a session or stay active with us all year as we learn together about basketball, flag football, soccer, softball/baseball and field hockey. Children are divided into age groups for all sports and taught age appropriate skills through fun activities and favorite classic recreational games! All practices and games are held right after school. These incredibly fun sessions will have your child laughing, learning and clamoring for more. Come join the fun!

- FUN:** Enjoy learning and playing a different sport each session in a non-intimidating environment
- CONVENIENT:** Introduce your child to new sports without driving all over town
- COST EFFECTIVE:** We provide the sporting equipment and an AIT Sports Club T-shirt
- CHARACTER BUILDING:** We emphasize the importance of teamwork, integrity & sportsmanship
- SAFETY:** All of our staff undergo background checks, have fingerprint cards & obtain CPR training
