This Week

This week in reading, we read a fun text titled *Tops and Bottoms*. It was about a lazy bear who gets tricked by a hare to use his land to grow crops. We also learned about a double map we can use when we are looking at the similarities and differences of things. We made one to compare bear and hare.

In writing, we finished up our narrative about what we are afraid of and why. Be on the lookout the final copy came home today!

We also spent some time this week working on how nouns identify a person, place, thing, or animal.

BIG Thanks!!

A big thank you to everyone that came out to parent teacher conferences. Your children are very special to me and it gives me great joy to work with you as a team supporting their education! It was also nice to touch base and discuss how your child is progressing in 2nd grade!
