## This Week

This week we jumped right into learning. The students are doing a wonderful job following our daily routine.

In reading, we read the story Henry and Mudge. We learned about sequence of events and how it is essential to our daily reading. We also learned and practiced putting words in ABC order.

In writing, we have been working on writing about what we think the perfect pet is and why. To help organize our thoughts we learned how to create a circle and tree map. ☺

On Friday, we took our first reading, vocabulary, and spelling tests. The students worked hard and tried their best.

## Curriculum Night

Thanks for coming out and learning a little more about our classroom. Everyone should have gotten a pink paper that talked about 2<sup>nd</sup> grade t-shirts and field trips. If you could please fill out the t-shirt order portion and send it back as soon as possible. Also, thank you to those that have already paid their \$35 2<sup>nd</sup> grade activity fees! The fees pay for all the field trips we have planned and t-shirts. ☺

For those that were unable to attend, I sent your child home with the handouts we discussed that evening. If you have any questions please let me know.

## Reminders
