This Week

In reading, we read a text titled Teacher's Pet. It was a cute realistic fiction story all about a teacher who ends up with too many class pets.

We extended our knowledge about nouns. We learned what singular and plural nouns are. We also talked about how some plural nouns are irregular and we can't just add an -s or -es to the end.

On Friday, we had our first marble jar class celebration. The students voted and we celebrated with pajamas and a movie. ☺ Keep up the good work Clever Cacti!

In Social Studies, we looked at many different communities and discussed the similarities and differences between them. We also used Google Earth and looked at our community so we could see all the wonderful things it has to offer.
