Subject: Health Letter from Chandler Unified School District

Dear Parent/Guardian:

As you are probably aware, Maricopa County Department of Public Health recently confirmed one case of 2019 Novel Coronavirus in Maricopa County. This individual is a member of the ASU community and the risk to all Maricopa County residents, including the ASU community, is believed to be low at this time.

We understand that there is much concern over this new strain, and Maricopa County Public Health is committed to providing the most up-to-date information at www.maricopa.gov/coronavirus.

Maricopa County Public Health would like us to stress to our school community that in addition to flu, common strains of coronaviruses are often circulating in our community. While it would not be uncommon for a child to be diagnosed from a health care provider with a coronavirus, the 2019 Novel Coronavirus is only being tested through the Centers for Disease Control and Prevention. This new strain of coronavirus has only been identified in individuals who have traveled to Wuhan, China.

Because protection from all respiratory viruses is similar, this is a good time to review precautions we can all use to prevent the spread of respiratory viruses, such as the flu:

- Wash your hands often with soap and water for at least 20 seconds.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay home when you are sick, and keep sick children home as well.
- Cover your cough or sneeze, then immediately discard any tissues.
- Clean and disinfect frequently-touched objects and surfaces.

Chandler Unified staff take these precautions in order to ensure a healthy learning environment for your children. We will keep you updated with any developments that could impact our families or schools.

If you have any questions, please contact CUSD Health Services Manager Lyndsay Hartley at 480-224-3763 or hartley.lyndsay@cusd80.com.

Sincerely,
Camille Casteel, Ed.D.
Superintendent

Parent Education Presentation—Tuesday 2/18/2020

On **Tuesday February 18th** we have Shannon Morrill, MA, NCC-LPC from Aurora Behavioral Health Systems coming to **Perry** to provide education and resources surrounding **depression and anxiety among teens**. Learn the warning signs, hear the theories for why there has been a rise in depression and anxiety among our youth and get suggestions on how to help your teen. She will take time to answer questions at the end. You won't want to miss this informative presentation!

Perry High School Room C115 6:00-6:30 PM

Shea Dodson, Chandler Unified School District Social Worker, (480) 224-3737
