Follow the Hawk Nightly to Soar in Fourth Grade!

second STEP®

skills for Social and Academic Success

Navarrete uses the Second Step program to help our Nighthawks learn, practice, and apply skills for self-regulation and social-emotional competence.

Encourage your child to complete the **Home Link** paper after each lesson to further practice the skills and help you better understand the concepts they are learning. Students can return the finished paper to their homeroom teacher to earn a fourth grade currency **bonus!**
