

Chandler Unified School District #80

Enrollment Immunization Information for Parents

Dear Parent/Guardian:

Below are steps to help you obtain state required immunizations for your school enrollment:

Refer to www.azdhs.gov for Arizona Department of Health requirements and annual updates.

To comply with Arizona State Law (A.R.S. § 15-872) Immunization requirements to enroll a school-age student into school, do one of the following actions before student can attend:

- Take your child to a free clinic. Bring proof of immunization(s) back to the school. Refer to the following sites:
 - www.maricopa.gov/1809/Child-Immunizations
 - www.whylimmunize.org/where-to-go-for-your-shots
 - <https://www.dignityhealth.org/arizona/locations/chandlerregional/about-us/immunization-clinics>
 - Chandler Immunization Clinic: English (480-728-2004) Spanish (480-728-3777)
 - **Central - Roosevelt Clinic**
1645 E Roosevelt St, Phoenix, AZ 85006
 - **East - Mesa Clinic**
635 E Broadway Rd, Mesa, AZ 85204
 - **West - West Clinic**
1850 N 95th Ave, Suite 184, Phoenix, AZ 85037
- Take your child's current immunization record and/or the "Referral Notice of Immunization Deficiency" to your healthcare provider or local health department to get the required immunization(s) and/or records. Bring proof of the immunization(s) back to school health office to be enrolled in school.
 - Register at www.MyIR.net or download the MyIR mobile app, verify your account and other family member's accounts for easy access to print official immunization records to bring to health office. You can also request a copy from you healthcare providers' office or visit AZDHS.gov for more information.
- If you have any reason to waive required immunization(s), visit the AZHDS.gov website to obtain required exemption form.

Enrollment WILL be delayed without the required adequate immunizations which are by Arizona State Law required for school/child care attendance (A.R.S. § 15-872).

- Homeless students have up to 5 school days to show proof of immunization after immediate enrollment. Please contact the CUSD District Family in Transition Coordinators who can assist with questions to specific student needs.

*Students 11 years or older will be required to have one dose of the Tdap vaccine if 5 years has passed since their last dose of tetanus/diphtheria containing vaccine. Students 11 years and older are required to have one dose of the Meningococcal vaccine. Notification will be sent in writing one month prior to the student being due for immunizations.

Please contact your school health office with any questions!
