A GUIDE TO GOOGLE CLASSROOM AND CLEVER APPS

For Students and Families

WHAT IS GOOGLE CLASSROOM (GC)?

Think of Google Classroom (GC) as your child's digital link to learning.

Teachers use Google Classroom to interactively teach lessons, post assignments, and other forms of communication with students and families.

Students use GC in interactively learn from their teachers, complete and turn in assignments, and communicate with their teachers.

GETTING STARTED IN GOOGLE CLASSROOM

1.

Click on the Google Chrome Browser

2.

Type in www.google.com in the browser.

3.

Click on Sign In in the upper right-hand corner.

GETTING STARTED IN GC

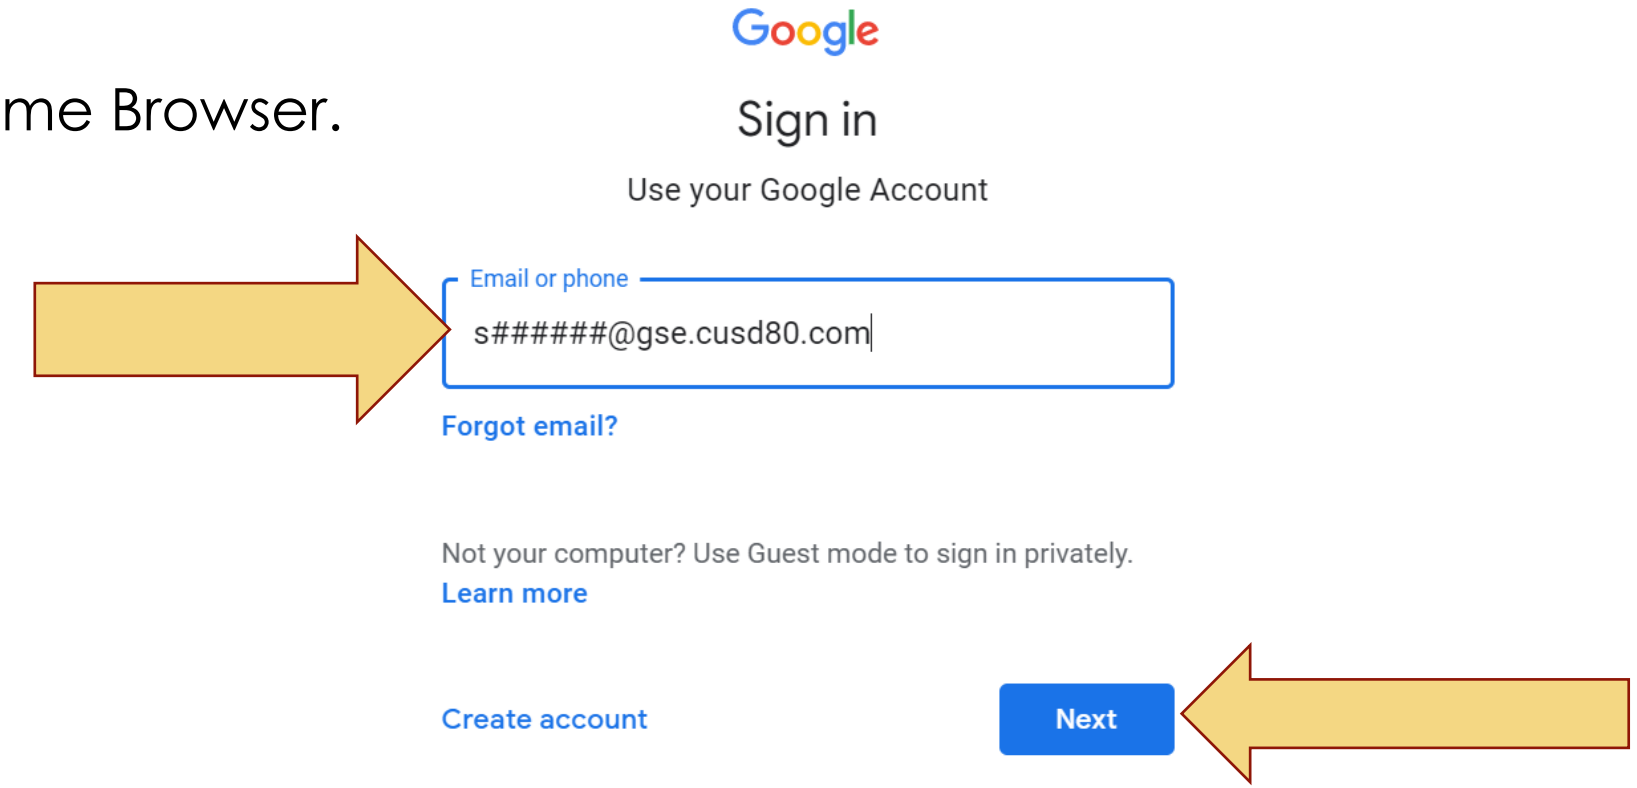
4.

Click on the Google Chrome Browser.

The ###### represents your child's 6-digit ID number.

If you are unaware of your child's ID number, you can find this in your Infinite Campus account.

DO NOT FORGET THE "s" in front of the numbers.

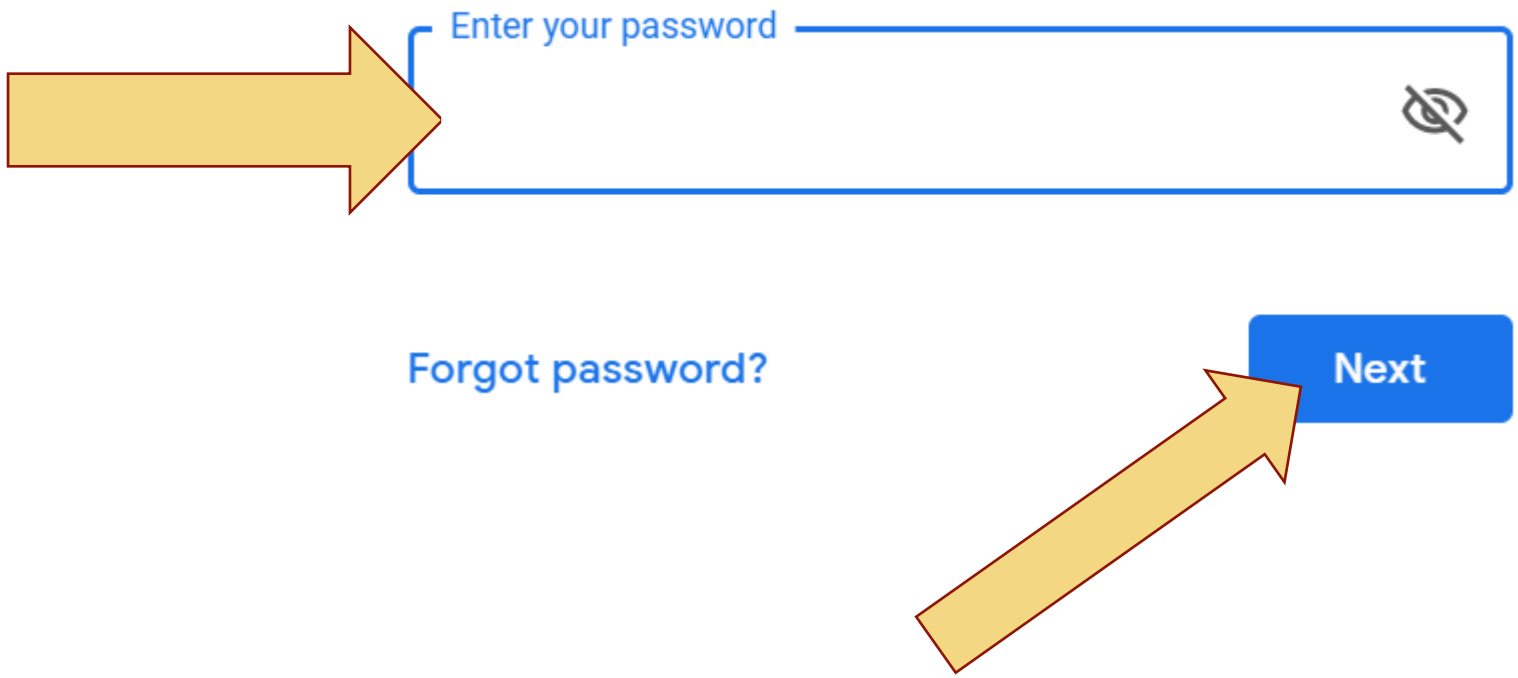


GETTING STARTED IN GC

5.

Enter your child's password.

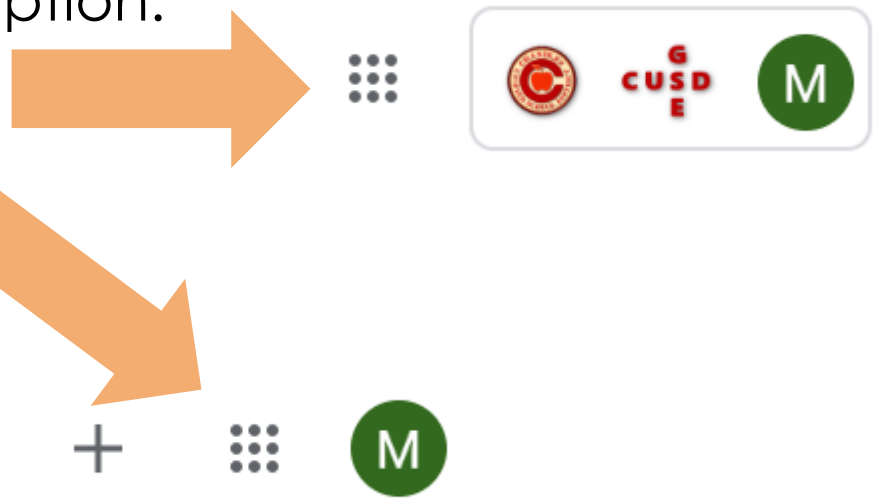
Contact your child's teacher if you do not know the password.



YOU ARE IN YOUR GC

6.

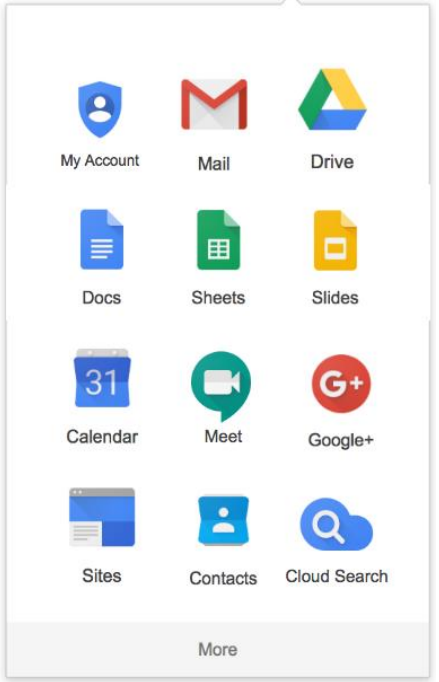
You will see one of the following icons in the upper right-hand corner of the screen. Click on the (waffle) grid on either option.



7.

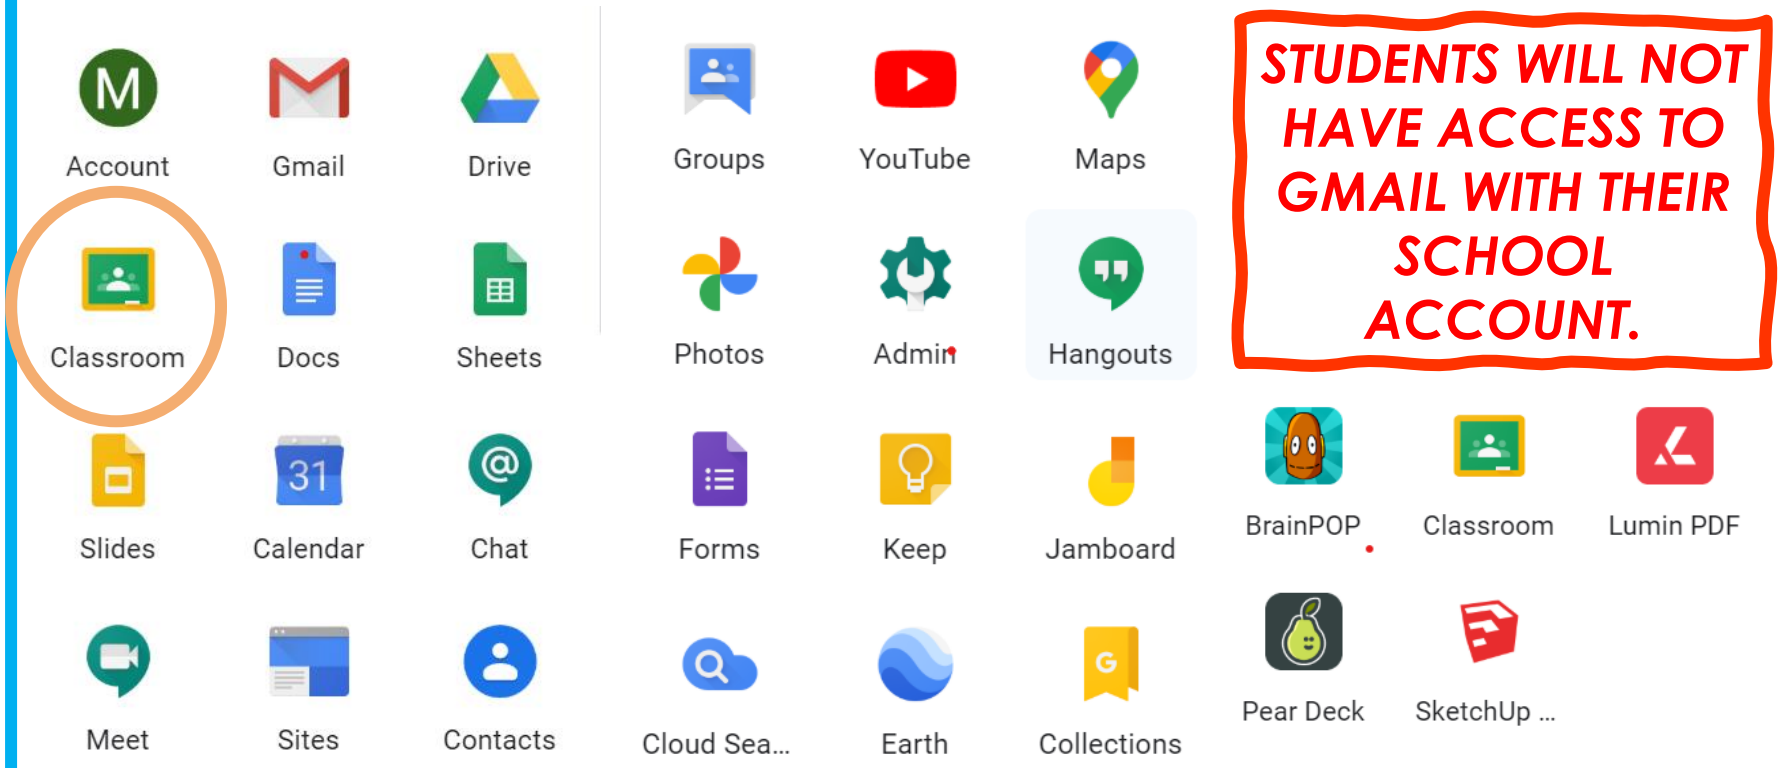
After you click on the grid, you will see the menu.

As you can see here that the CLASSROOM app does not show up right away. If you click on any other app and then the waffle again, your CLASSROOM app will then show up.



GOOGLE ICONS TO BE FAMILIAR WITH

These are only icons you will see. Students will not use all of these.



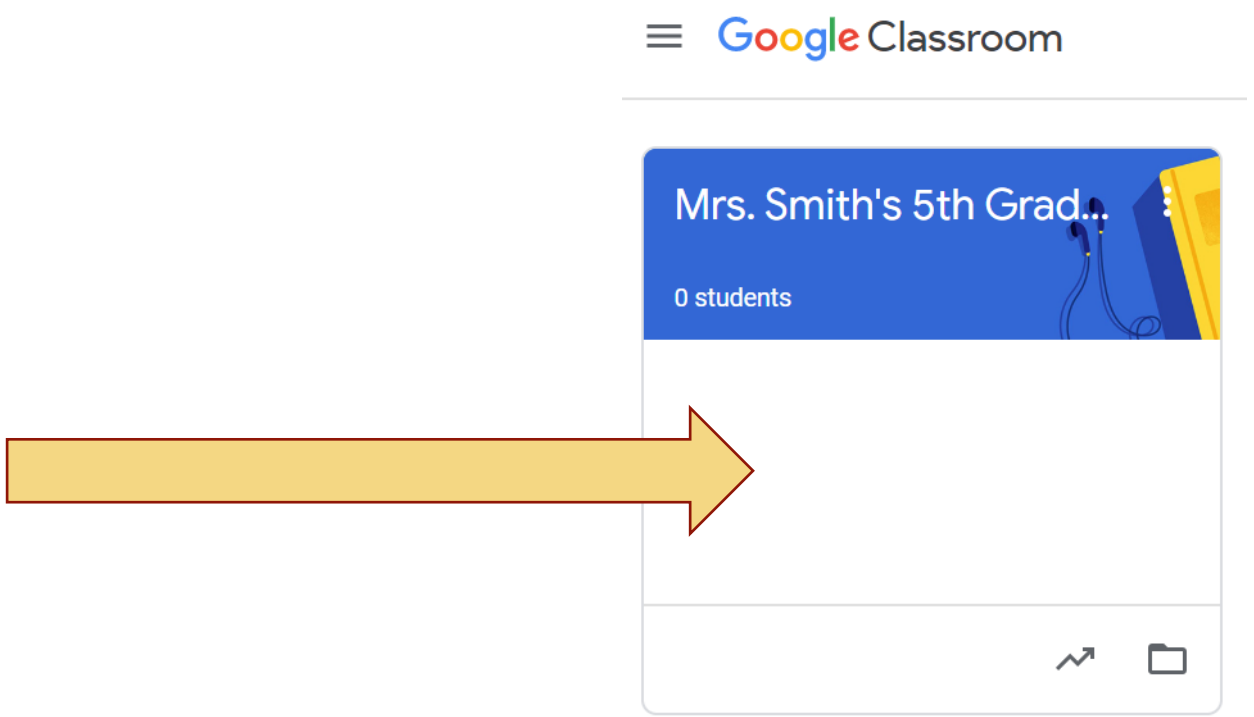
STUDENTS WILL NOT HAVE ACCESS TO GMAIL WITH THEIR SCHOOL ACCOUNT.

Your child will be using Classroom the most.

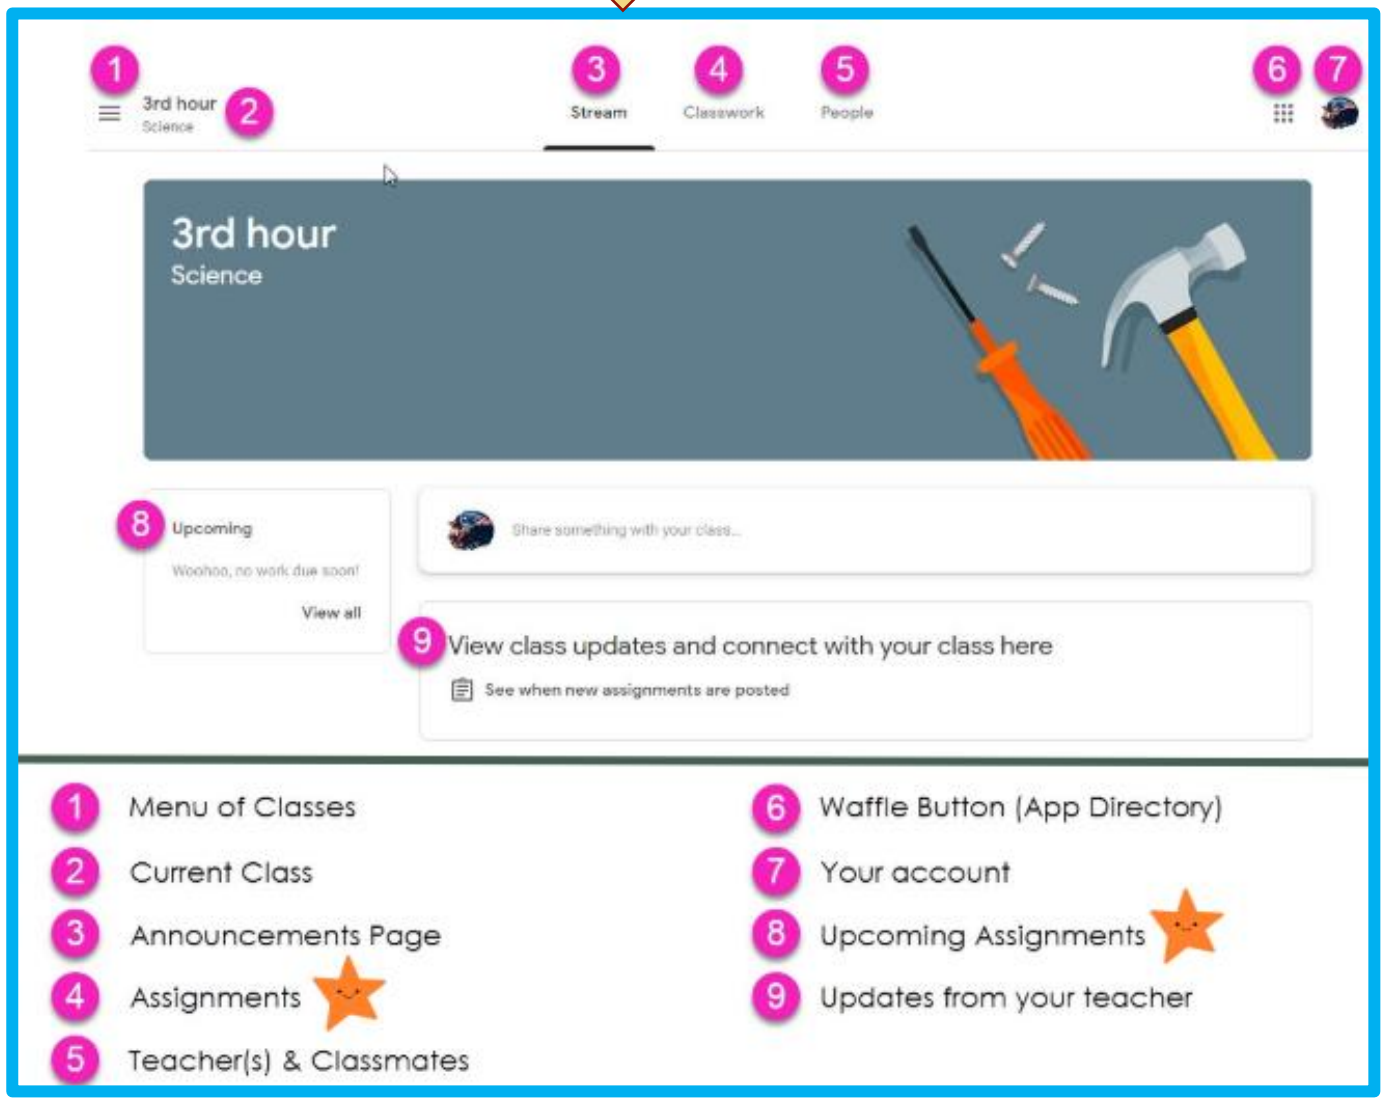
Google Classroom

NAVIGATING GC

When you see your classroom, click on it.



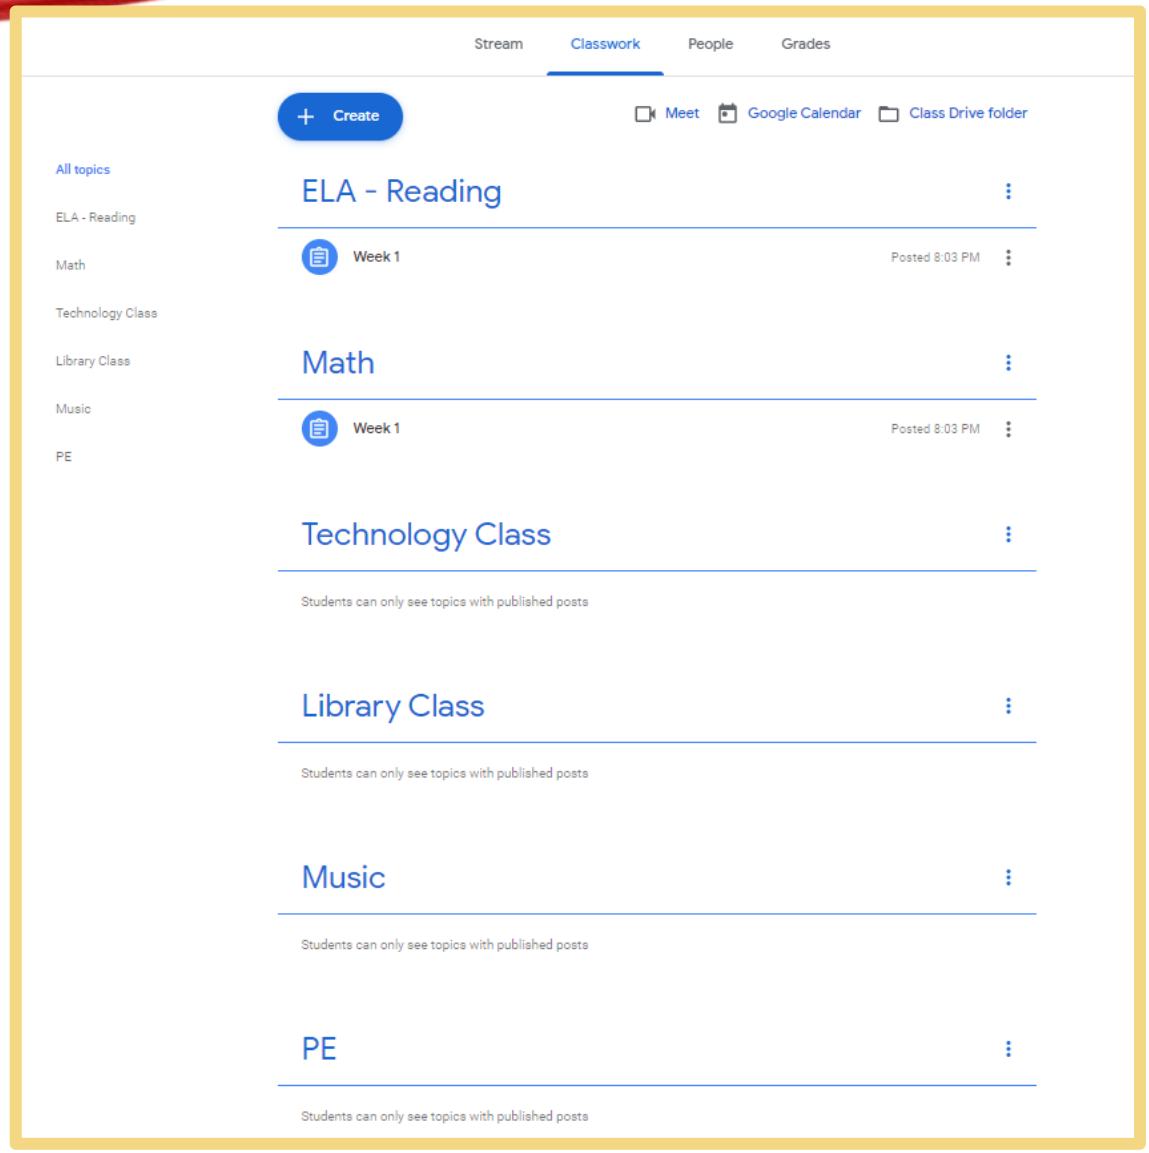
NAVIGATING STREAM IN GC



Stream – this is where your teacher may write you a note for the day or special reminders.

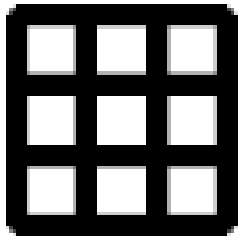
= High Interest for Parents

NAVIGATING CLASSWORK IN GC



Classwork – This is where you will find all of your class assignments for each of your classes.

Your classes will include your homeroom teacher, specials teachers, and any resources classes.



Google Meets Grid View

Google Grid View allows for students and teachers to see all students and teachers while interacting in a Google Meet.

Open the Google Chrome Browser first, then click on the link below to add the extension in your google meet.

https://chrome.google.com/webstore/detail/google-meet-grid-view/kklailfgofogmmdlhgmjgenehkjoioip

ACCESS ANYWHERE

GOOGLE APPS

allow you to edit Google assignments from any device that is connected to the internet!

Download on the App Store

GET IT ON Google Play

Google Cheat Sheet

Classroom

- Join a class as a student
- Reorder your class cards

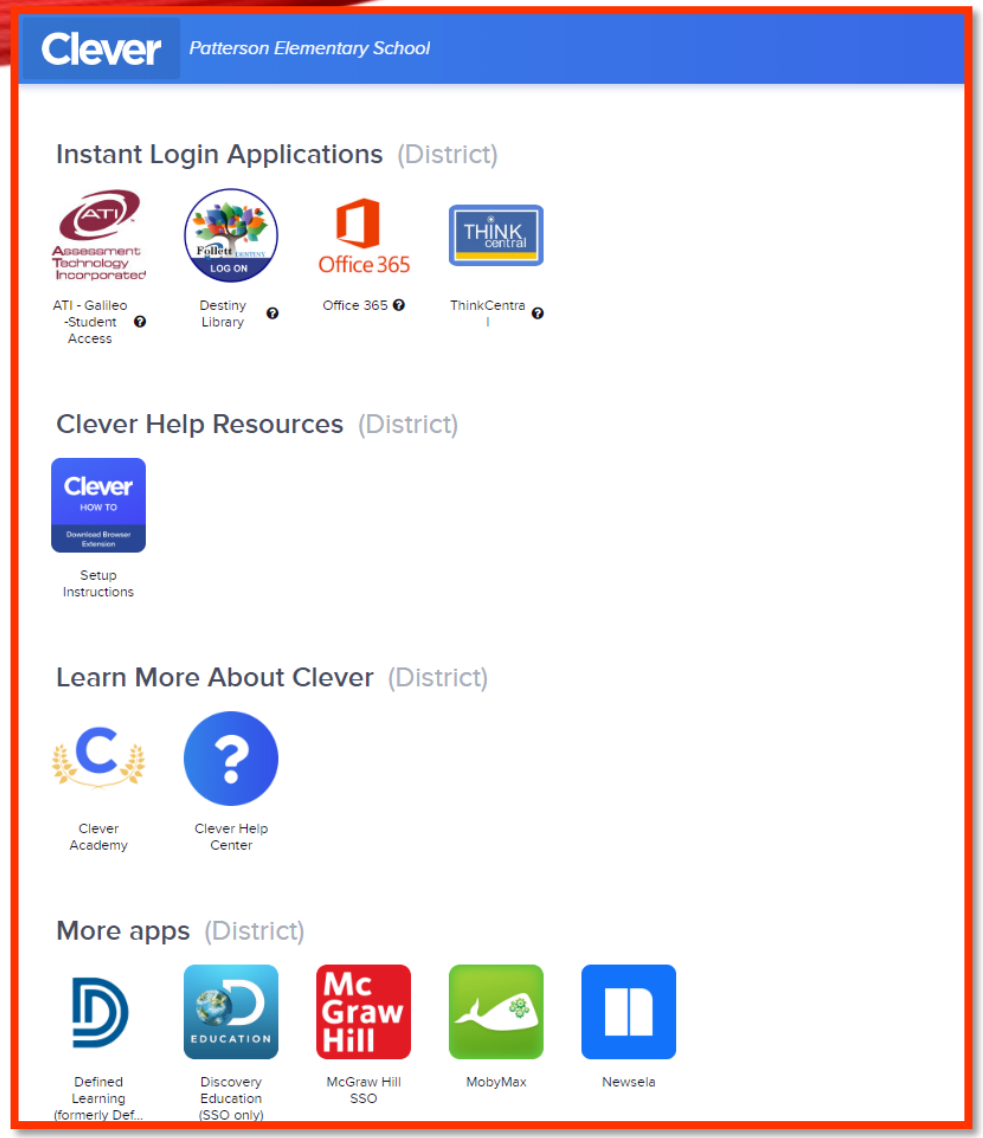
Grading/Feedback

- See your overall grade for a class

ALL ABOUT CLEVER

Clever is a service that makes it easier for schools to use many popular education technology products. It works by providing a simple developer interface (API) for third party education technology software to access important data from Student Information Systems (SIS) used by schools.

COMMON APPS THAT YOU WILL SEE IN CLEVER



- **ATI Galileo** – District Testing Site
- **Destiny Library** – District Library Catalog
- **Learning.com** – Technology Lessons as well as Classroom Lessons
- **Student IC** – District Grade Portal
- **Think Central** – access to the Harcourt reading program and Saxon math program.
- **McGraw Hill** – Math program

INSIDE THE CLEVER APP: THINK CENTRAL

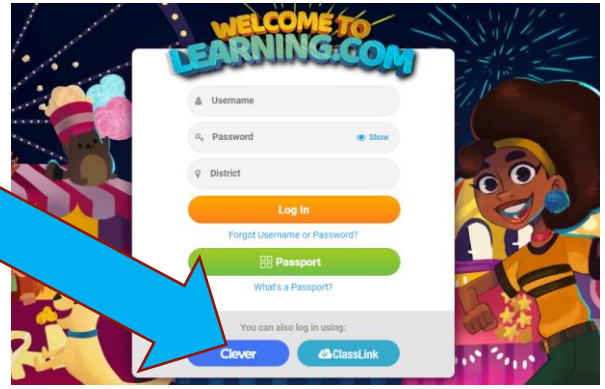
Think Central is the app to find your Saxon and Harcourt Reading Program.

As long as you are logged into your Google account, when you click on any assignments assigned by your teachers in GS, it should take you right there.

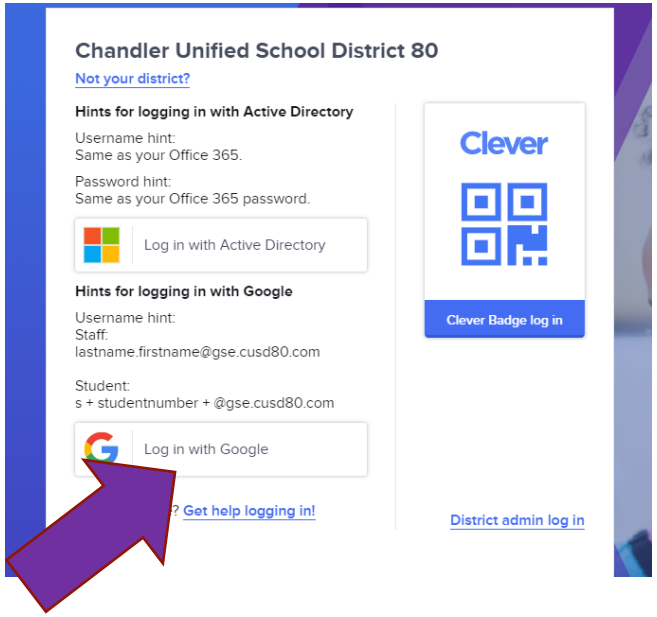
INSIDE THE CLEVER APP: LEARNING.COM

1. When you click on a learning.com assignment (most likely from your technology teacher. You may see the following screen.

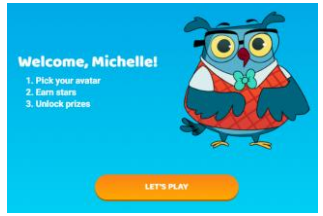
2. Click on Log in with Clever.



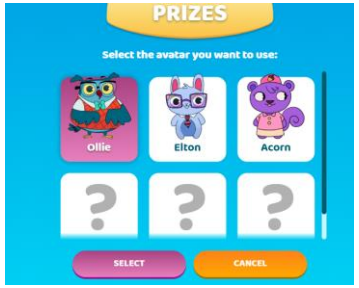
3. Click on Log in with Google.



4. Get started to pick an avatar.



5. Choose your avatar and click select.

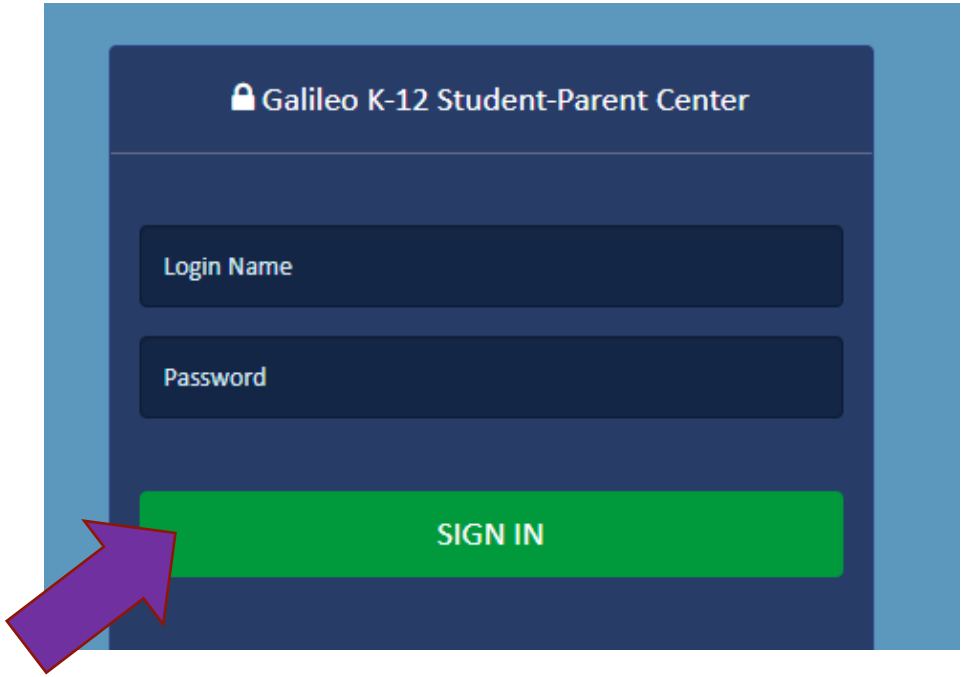


6. You will then see your menu of activities.

INSIDE THE CLEVER APP: ATI GALILEO

Login Name: s###### *(The ###### represents your child's 6-digit ID number)*

Password: contact your child's teacher if you do not know the password.



INSIDE THE CLEVER APP: INFINITE CAMPUS (IC)

Grade Portal - Infinite Campus
Infinite Campus is how the school communicate grades, school events, and all other important information. It is important that all parents have an account with the Parent Portal.

Grade Portal Link - https://www.cusd80.com/Domain/5058

RETURNING PARENTS:
You do not need to do anything, but log into your account. You will use the same account for the entire time your student(s) are enrolled in Chandler.
If you have forgotten your password, you will need to contact Trisha Pfleiger, registrar, to reset.

NEW PARENTS:
Please click on the link below to get directions on how to set up your Infinite Campus Account.
https://campus.cusd80.com/campus/services/createParentPortal.jsp

STUDENTS:
Students, you can check your grades or missing assignments from the student portal. Your user name and password are the same as your computer login at school.

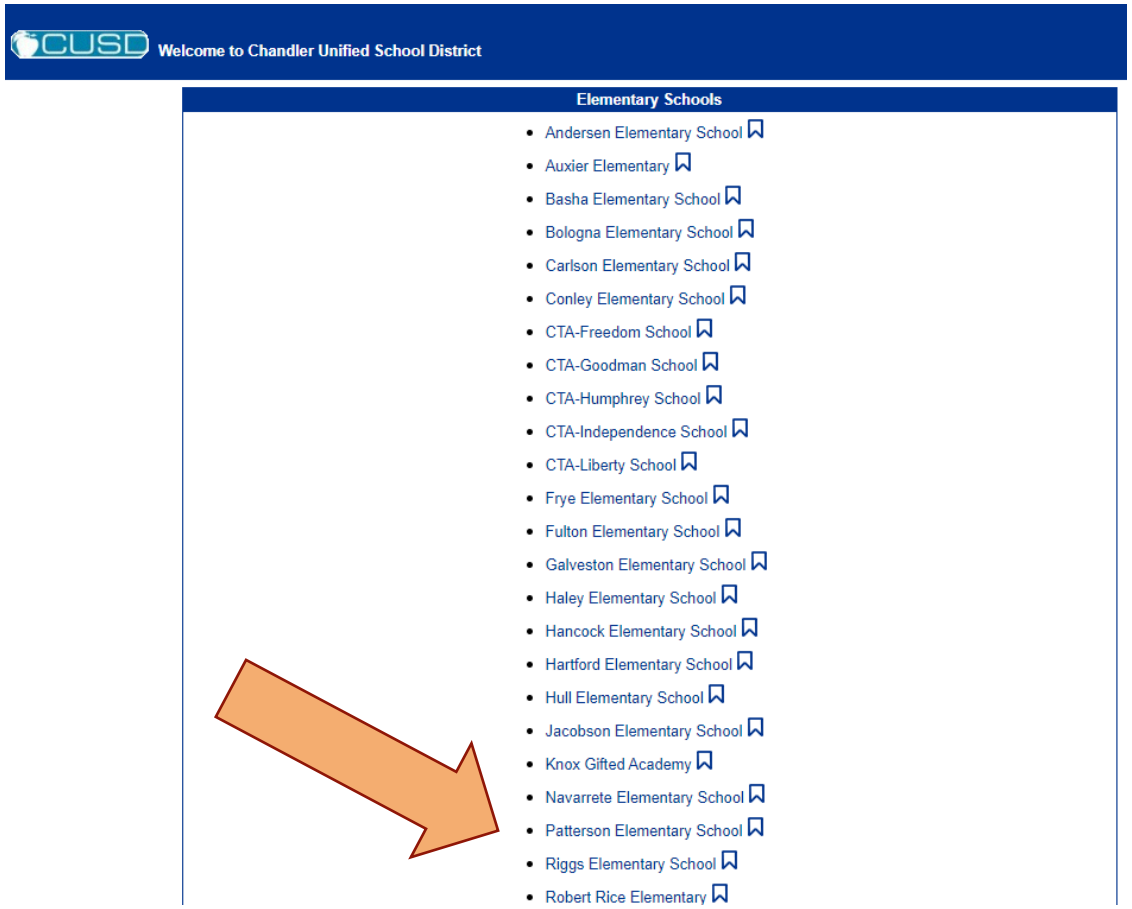
Student Username is s######

Student Password is is the same as their Google password

s###### represents your child's ID number.

INSIDE THE CLEVER APP: DESTINY

1. Click on Patterson Elementary



Questions?

That's Ok!

Please contact your child's teacher directly.
