

May 2nd

Good Morning Panthers, today is May 2nd. I'm Lyla, and I'm Brooke.

Lyla: Friendly reminder Panther Pals will meet Monday May 5th at 8:15 to set up for teacher appreciation week. See you there

Brooke: Alright sports fans! We've got breaking news out of the 7th-grade girls soccer scene, and trust us—you're going to want to hear this!

Lyla: The unstoppable squad has done it again! The 7th-grade girls soccer team wrapped up their regular season in *dominant fashion*, shutting out Queen Creek with a jaw-dropping **9–0 victory**! That's right—*nine goals*, zero given up, and a whole lot of hustle!

Brooke: Leading the charge was **Kendall S**, who lit up the scoreboard with *two powerful goals*! And it was a full-team effort on offense—**Kylie, Juliette, Aubree, Olivia, Gia, Dylan**, and **Kendall C** each added one to the net, showcasing just how deep this team's talent runs.

Lyla: On the defensive end, it was a total lockdown. A huge shoutout to **Hannah** and **Gwynnie**, who held the back line like pros and made sure Queen Creek didn't get a sniff at goal. That's what we call championship defense!

Brooke: With that win, the girls complete an *undefeated regular season*! Yes—you heard that right! This team is heading into the playoffs *with serious momentum* and sights set on the championship.

Lyla: The action continues **next Wednesday, May 7th**, as the girls take the field for the **EVC Quarterfinals**. You do *not* want to miss it—so grab your friends, wear your school colors, and get ready to cheer on our team as they chase postseason glory!

Brooke: Congratulations to the entire team on a phenomenal regular season. Let's keep this winning streak alive.
