

Volunteering/Community Service Organizations

Students interested in volunteering or community service, we recommend that you connect with the organizations of interest, directly, to sign up/register for a one-time or recurring volunteering sessions. Keep in mind that opportunities can also be found at church, in school clubs, etc. It is important you track your hours, whether you do so on a spreadsheet or printed form - keep records and get signatures when possible.

For a copy of a volunteer log, visit: <https://www.cusd80.com/Page/76374>
